Letter to Our Benefactors

Dear CDH Community,

Whether your experience was Derham Hall, Cretin, or Cretin-Derham Hall, this school has been, and continues to be, a transformative experience for students, families, and the community. Countless graduates treasure their experiences, their education, and their friends and teachers which have influenced their own pathway to success.

The year 2026 marks 175 years of the Sisters of St. Joseph of Carondelet serving Minnesota in education, healthcare, and other ministries that support their dear neighbor. The Sisters founded Derham Hall in 1905 as a path to establishing a Catholic, college education for young women. In a *CDH Traditions* from 2005, Mary Kraft, CSJ shared that the Sisters' desired to add a "third tier," to their elementary and secondary schools and start a college. Derham Hall was unique because it was designed to prepare students for what is now St. Catherine University. Both the high school and college grew too large for one campus and in the 1960s, Derham Hall moved to the Warwick site. We are blessed that the Sisters' mission and vision lives on today in their continued educational ministry at CDH.

In May, we launched the CDH Professional Network to expand what we offer by adding a fourth tier to support our CDH alumni as they graduate college and begin careers. Over one-hundred graduates attended our first Professional Network event in which alumni representing eight career industries presented their career experience and professional advice and mentoring.

Our goal is to support our students and graduates into their first internship, their first job, and career development. This fourth tier formalizes what has happened organically throughout our Derham Hall, Cretin, and Cretin-Derham Hall shared history: graduates helping graduates network to advance professional careers. Our next event is November 25, the Wednesday before Thanksgiving, and will feature representatives of eleven industries. While our key focus is graduates in college or early in their careers (Yes, you in the classes of 2021-2026), we welcome alumni of all ages. Please encourage the college students and young professionals you know to attend!

None of this would be possible without you. You are a part of a mighty community of alumni, supporters, family, and friends who give of their time, talent, or treasure to ensure that students share in the transformative experience at Cretin-Derham Hall.

No matter the size of the investment, your generosity provides students an opportunity to strengthen their talents, grow in their faith, and become the next generation of Raiders to make an impact on the world.

Thank you for allowing us to build on the long tradition of the Sisters of St. Joseph of Carondelet and the Brothers of the Christian Schools to educate young people.

In peace,

Jeb Myers, President

IRELAND COUNCIL

$500 – $749

The Ireland Council combines what was known as the Archbishop Ireland Society at Cretin High School and the Mother Seraphine Ireland Council at Derham Hall. John Ireland was the first Archbishop of St. Paul and a student at Bishop Cretin's school. Archbishop Ireland's sister, Mother Seraphine Ireland, was the Superior for the Sisters of St. Joseph of Carondelet at the time of Derham Hall's formation.

HUGH DERHAM COUNCIL

$250 – $499

Named for the man whose gift of $25,000 made Derham Hall a reality in 1905. Members of the council that bear his name lend credence to his belief in quality Catholic education that was so much a part of Derham Hall and is preserved today at Cretin-Derham Hall.

THE 2025–2026 SCHOOL YEAR
What Your Support Made Possible

A school year is measured in the experiences that help students discover their potential, deepen their faith, and find their place in a community that supports them now and long into their future.

Your support helps make this possible. Through your generosity, students have access to exceptional academic opportunities, vibrant arts and athletics programs, faith and service experiences, leadership development, and the traditions that make the Raider experience distinctive.

Enjoy a glimpse of what your investment in CDH students helped make possible in 2025-2026.

Academic Excellence & Discovery

Learning that Reached Millions
Physics students put engineering principles to the test through their annual Balsa Tower challenge — and captured worldwide attention when a video of the project went viral, reaching more than 22 million Instagram views.

Science in the Spotlight
Raider Biology students swept the Top 3 overall awards in the Minnesota Zoo's ZOOMS STEM Design Challenge by designing projects showcasing research and innovation across College Prep, Advanced, and AP courses. This year, 85 schools participated in the competition.

Serving Beyond Ourselves
Students, faculty and staff volunteered together through Habitat for Humanity Building Days.

Honoring Those Who Served
The Veterans Day Assembly reminded the community of the sacrifices made by members of the U.S. Armed Forces and the importance of gratitude and remembrance.

YOUR IMPACT *Your generosity supports opportunities for students to put faith into action, serve others and develop a deeper understanding of their responsibility to their communities.*

Arts, Culture & Student Life

On Stage at the Lillian Theater
The Theater was bustling all year with productions of *The 25th Annual Putnam County Spelling Bee*, *Charlie and the Chocolate Factory*, *The Outsiders* and *The Little Mermaid*.

Homecoming Week
From dress-up days and Mass to pepfest, Raider Family Fest, alumni events, reunions and the dance, Homecoming showcased school spirit at every level.

Taking the Arts to New York
Band, Choir and Theater students traveled to New York City for an unforgettable experience of learning, performing and artistic inspiration.

Celebrating Culture and Community
Students gathered in all-school assemblies to honor the richness of our cultures through music, dance, comedy and reflections by students and adults, including Hispanic Heritage, Black History, Lunar New Year and AAPI celebrations.

YOUR IMPACT *Donors help ensure students have places to perform, create, celebrate their identities and interests, and discover new talents alongside their classmates.*
