IN OUR WORLD

All People have Equal Worth and Dignity

THE STUDENT BODY

AISA welcomes a vibrant, international community representing more than 40 nationalities from Early Childhood through Grade 12. Nigerian students comprise a significant portion of our enrollment, with the remainder coming from across Africa, Europe, Asia, and the Americas. Small class sizes—typically 18 to 22 students—ensure personalized attention and strong teacher–student connections.

FACULTY

Our faculty is composed of highly qualified international and local educators from the United States, Canada, Europe, Africa, and beyond. They bring a rich diversity of perspectives and a shared commitment to student success. Ongoing professional development is a cornerstone of AISA's culture, keeping teachers at the forefront of global education practices.

COMMUNITY & PARENT INVOLVEMENT

The AISA community is strengthened by active parent partnerships and a welcoming spirit. The energetic Parent Teacher Association (PTA) fosters close ties among families, staff, and students, hosting signature events such as International Day, Nigeria Day, Food & Fun Fairs, talent shows, and community service projects. These gatherings celebrate diversity and create meaningful opportunities for families to engage with school life.

STUDENT VOICE

Leadership and student agency thrive across all divisions through Student Councils (StuCo):

- Elementary StuCo – introduces young learners to leadership and service.
- Middle School StuCo – empowers students to plan activities, represent peers, and promote school spirit.
- High School StuCo – leads major events, advocates for student interests, and models civic responsibility.

From grade-level representatives to school-wide initiatives, these councils ensure that student perspectives help shape the AISA experience.
