MHS Musical 2026

The Monticello High School theatre program invites you to join us on a journey under the sea to the world of Atlantica for our fall musical production of Disney's The Little Mermaid.

Follow the story of a young mermaid named Ariel, who is captivated by the world upon the surface. When she falls in love with a human prince, she makes a deal with a villainous sea witch to become human herself, and must earn his love before the agreed time runs out.

Performances are set to run November 20th and 21st at 7pm, and November 22nd at 2pm at the Monticello High School Performing Arts Center.
Tickets are available to purchase in advance through Bound or at the door before performances.

Senior Class of 2027 Updates

Families of the Class of 2027, you can find information on the Senior Page of our website for updates and important information. We will routinely send information out to keep you updated with dates and deadlines. **MHS Website: Senior Information**

Please submit a Senior Photo & and Senior Quote by January 8th, 2027. Use the QR code to submit your photo and quote.

The Grad Party Committee is working hard to plan an awesome post-graduation party for our Seniors! Right after commencement, seniors will come to the Middle School for a night of Food, Fun and PRIZES!! Tickets will go on sale in December. Check out **MontiGradParty.com** for all the details.

PARENTS OF HIGH SCHOOLERS OF ALL AGES!

The Monticello Graduation Party is a non-profit community organization not affiliated with the school. Established in 1986, the committee has been putting on this chemical (and phone) free night for 40 years. It is typically led by parents of high schoolers, but we have parents whose kids have graduated stick around, and we have grandparents and other members of the community help out. There are many ways big and small to participate. Now that our main fundraising for the party is over, we get to do the fun part of planning. We would love to have your help with making this party special for our Seniors.

Follow and Share Our Social Media We are @MontiGradParty on Instagram and Facebook and our website is MontiGradParty.com. Help spread the word and follow us for to stay connected.

Want to get more involved? We meet the first Wednesday of the month at the Monticello Community Center at 6:30! We will meet November 4th, but will not meet in December. We need more help to make this year's party successful and we need volunteers from non-senior families to join the committee to keep it running in the future.

Health Office Updates

Dear Parent or Guardian:

Minnesota law requires that all children get vaccinated against certain diseases or have a legal exemption on file to enroll in school. Since the fall of 2021, **students entering 12th grade need to have documentation or a legal exemption for the booster dose (2nd shot) of meningococcal vaccine.** The first meningococcal vaccine was required for entry into 7th grade.

If your student is new to the school please send in their immunization records as soon as possible to the health office.

Teenagers and young adults are at a higher risk for meningococcal disease, which is an infection of the brain and spinal cord. This booster dose is important to make sure they are fully protected through their highest risk years. For more information on meningococcal disease, go to Meningococcal Disease Basics (**www.health.state.mn.us/diseases/meningococcal/basics.html**) on the MN Department of Health website.

If your child has already had this immunization, they do not need to repeat them. If you wish to declare a non-medical exemption or conscientious objection (CO) or a medical exemption (ME), the link to print the student immunization form can be found below (this form must be notarized) **https://www.health.state.mn.us/people/immunize/basics/readycc.pdf**

To find your child's most up to date immunization records please go to the following link: **https://www.health.state.mn.us/people/immunize/miic/records.html#docket**

Please schedule an appointment with your child's doctor if they need this immunization. Please either **send the updated immunization record with your child to school or have the clinic fax us your child's immunization record to (763) 272-3009 once your child receives the immunization**. Please call the health office at **763-272-3020**/3022 for any questions or concerns.

We appreciate your assistance with this process.
