Dear Parents/Guardians and Senior Drivers,

As a reminder, roadwork will impact access to the Summerhill Road entrance and exit over the next three days, Wednesday, October 28th, through Friday, October 30th. Please review the following traffic patterns:

Wednesday, October 28th & Thursday, October 29th:

- **Morning Arrival:** The Summerhill Road entrance will be **inbound traffic only**. All vehicles must exit through the Cranbury Road traffic light.
- **Afternoon Dismissal:** The Summerhill Road exit will be **outbound traffic only**. Vehicles will not be permitted to enter campus from Summerhill Road during dismissal.

Friday, October 30th:

- The Summerhill Road entrance and exit will be **completely closed until 2:15 PM**.
- All vehicles must enter through the main Cranbury Road entrance and exit through Cranbury Road.
- Pending the completion of the roadwork, we anticipate reopening Summerhill Road for afternoon dismissal.

To assist with traffic flow, **the Lycoming gate will be open for buses exiting campus after morning drop-off and afternoon pickup.** Additionally, we will have a police officer stationed at the Cranbury Road traffic light to help manage traffic.

Even with these measures in place, we anticipate additional traffic congestion on campus, particularly during morning arrival. **We encourage families dropping off students and our senior drivers to arrive earlier than normal** to allow additional time.

Most importantly, please exercise extra caution while driving on campus. **The speed limit is 15 mph**, and we ask everyone to remain patient, attentive, and mindful of pedestrians and other vehicles.

Thank you for your patience, cooperation, and understanding as we navigate these temporary traffic changes.

Sincerely,

Edward J. Bucior, Ed.D
Principal
