THS Organizations

(Open to all THS students who meet the requirements)

Academic Decathlon **(Students must be in the 1st period AcaDec class to participate)**

The Academic Decathlon is the premier national academic competition. Students study seven subject areas and compete by taking objective multiple-choice tests in each: language and literature, science, social studies, art, music, math, and economics are mostly based on centralized themes. In addition, students will write essays, give speeches, and interview for the subjective portion of the competition. Participation is impressive on college applications and helpful in all collegiate disciplines since the nature of the program is incredibly academic and competitive, covering multiple subject areas simultaneously. Dues for AcaDec are $40 per year. *(If interested, see one of the sponsors below.)*

National Honor Society (NHS) **(Must meet requirements to participate)**

The National Honor Society chapter of TCCHS is a duly chartered and affiliated chapter of this prestigious national organization. Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, leadership, service, and character. Standards for selection are established by the national office of the NHS and have been revised to meet our local chapter's needs. Students are selected to be members by a 5tillmember Faculty Council, appointed by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each November. Students in the 10th, 11th, and 12th grades are eligible for membership. For the scholarship criterion, a student must have a cumulative GPA of 3.5 or better and be in the top 15% of his/her graduating class. A history of leadership experiences and participation in school or community service are also required. Students must provide the signature of a supervising adult to verify leadership and participation in school or community service. To evaluate a candidate's character, school disciplinary records are reviewed. The Faculty Council reviews the Student Activity Information Forms to determine membership. A majority vote of the Council is necessary for selection. Candidates are notified regarding selection or non-selection according to a predetermined schedule. Following the notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance (or better) in all four criteria that led to their selection. This obligation includes regular attendance at chapter meetings held monthly during the school year, participation in the chapter service project(s), and participation in one chapter fundraiser per year. Dues for the TCCHS chapter of NHS are $20 per year. *(If interested, see the sponsor below.)*

NHS Honor Cords

Per the bylaws, students may be eligible to wear blue and gold cords and/or the NHS collar at graduation. Cord requirements are based on the grade level when the member was inducted and the requirements.
