Student Life

The Complete High School Experience

Unlike schools that specialize in just one area, Ocean Township High School gives students the opportunity to pursue everything they're passionate about—all in one place. A student can be an AP Scholar, varsity athlete, DECA competitor, theater performer, student leader, and community volunteer during the same four years. At Ocean, students are encouraged to discover who they are, develop their talents, and create a high school experience that is uniquely their own.
