PowerSchool Mobile App

The PowerSchool Mobile app is a "mobile friendly" version of the PowerSchool Parent/Student Portal.

Parents and students can use the mobile app to access student attendance, student schedules, class assignments and scores, and email links to teachers.

The mobile app is designed for iPhones/iOS, tablets, and Google/Android devices. Please note you must have a Parent/Student Portal account to use the mobile

App. If you are not sure how to create a Parent/Student Portal account, please contact your child's home school for assistance or watch the tutorial video below:
