

Over the years, programs have changed, buildings have evolved, and generations of children have passed through our doors, but the heart of Primrose has remained constant. It is a place where children are known, cared for, challenged, celebrated, and loved. I am enormously proud of what we have built together and confident that the spirit of Primrose will continue long after my time as principal comes to an end.

While I look forward to the next chapter of my life and to spending more time with my family, saying goodbye to the school and community that have meant so much to me will not be easy. I leave with tremendous gratitude for the experiences, the friendships, the laughter, the challenges that helped me grow, and most importantly, for the countless children who have reminded me every day why this work matters.

In the months ahead, I will do all I can to ensure a smooth leadership transition that the community will be proud of. Serving as Principal of Primrose School has been one of the greatest honors of my professional life. I will forever be grateful that I was given the opportunity to be part of so many great beginnings.

With heartfelt gratitude,
Katie Winter
