Saintly Staff Donation

The **Saintly Staff Donation now includes what was formerly known as the Red Envelope,** making it easier than ever to **celebrate our teachers throughout the school year. One donation helps cover teacher birthday gifts, Christmas gifts, and end-of-year gifts,** taking the place of separate collections for each occasion.

We encourage families to consider contributing to the Saintly Staff Donation. You can make **one donation for the entire school year or contribute multiple times throughout the year**—whatever works best for your family!

Every donation, no matter the amount, is appreciated and helps us make our teachers and staff feel celebrated and loved all year long!

Donations can be made anytime through Saint Space! Thank you for helping us show our incredible St. Ann teachers and staff just how much they mean to our school community!
