Dear Parents and Guardians,

Our school is hosting a Digital Awareness and Online Safety Presentation for students in grades 6 through 12 on November 5, 2026. Richard Guerry from the Institute for Responsible Online and Cellphone Communication (IROC2) will be presenting to our students.

As technology becomes a bigger part of our students' daily lives, navigating the digital world safely and responsibly is a top priority. This presentation gives students practical guidance on navigating the digital world safely and responsibly.

What will be covered:

- Intro to Public and Permanent/Having a Digital Consciousness and what it means
- Cyber Cruelty Prevention & Consequences
- Safe Communication in Gaming
- Removing the Social Privacy Myth: Digital Tools are used for Sharing and Communication
- Empathy and digital decision-making
- Digital Legacy
- Positive Use Leads to Opportunities

Mr. Guerry will also be presenting to parents and community members at 5:30 on November 5 in the cafeteria. During this presentation, the audience will gain knowledge to promote responsible use of evolving digital tools while also obtaining the wisdom to prevent negative, irresponsible, and malicious digital behaviors and trends.

If you prefer that your student does not attend the assembly, please return the form below by noon on November 3 to Mrs. Snay, Mrs. McGinnis, or Ms. Zellner. If you would like a paper copy, they are available in the main office. Please **ONLY RETURN THE SLIP IF YOU DO NOT WANT YOUR CHILD TO ATTEND.**
