FALL FEAST

We're bringing true scratch cooking to this year's holiday plate. Featuring house-smoked sliced herb turkey, house-made gravy, and freshly prepared cranberry sauce offered on our salad bars from our Central Kitchen. Complete with creamy mashed potatoes and a wholesome whole-grain roll.

Gala & Granny Smith Apples

from Wolf Ranch / Wolf & Wolf Farms, Linden, CA

The Wolf family has been growing fruit in Linden since 1976. Now run by the second generation, their farm has spent nearly 50 years producing apples, cherries, walnuts, and almonds for communities across the region. This season they're bringing us two favorites: sweet, crisp Gala and bright, tart Granny Smith. Grown close to home by a family that knows every row.

Reddy Robin Asian Pears

from Lodi, CA

Meet a fruit you may never have tried before. Reddy Robin Asian Pears are a rare specialty variety, developed by the same team behind Cosmic Crisp apples. They're round like an apple, with yellow-green skin that blushes pink to red-orange. Bite in and you'll find a crisp, extra juicy pear so sweet and refreshing it's been compared to an Otter Pop. Look for them this fall, grown by our farm partner Rivermaid.

All meals include: Fat-free, low-fat or lactose-free milk choices.
