Bond Info...

This November, voters in District 30 will see a school bond election on the ballot for schools across the Sulphur community. This bond is focused on making much-needed improvements to our campuses, updating key infrastructure and space that will benefit both students and the community. New Construction: Basketball Playcourt and New Dining Addition to the Cafeteria. Major Renovations: Restrooms, HVAC systems, Cafeteria Kitchen. We know tax decisions are important, and we want to ensure you have clear, transparent information to guide your vote. Learn more about investing in firm foundations for the future at www.cpsb.org.
