Parents for Megan's Law/Sex Offender Notification

Recent revisions to the New York State Corrections Law have expanded the availability of sex offender information. Law enforcement agencies can now provide community notifications regarding Level 1 offenders to include names, photographs, residing zip code, offense description and special probation and parole conditions.

We recently received notification of a Level 2 sex offender residing in the Islip Terrace/East Islip zip code area. You may access this information at:

www.criminaljustice.ny.gov

As a reminder, in order to provide staff, parents/guardians, and residents with information concerning sex offenders who are living or working in the district, the East Islip School District uses an automated system for sex offender notifications. The New York State Division of Criminal Justice Sex Offender Relocation and E-mail Alert System will email district residents, who have registered, informing them of sex offenders who reside in their zip code area and direct them to their website where they can access a full copy of the notification.

To register to be placed on the E-mail list for notifications, residents may go to the District's website at www.eischools.org, click on the "Community" tab, then click on the "Sex Offender Notifications" link. You may also register for alerts through the Crime Victims Center (Parents for Megan's Law) at:

https://www.parentsformeganslaw.org/e-mail-alert-registration-sign-up/

For those without internet access, please contact The New York State Division of Criminal Justice Sex Offender Relocation and E-Mail Alert System at 1-800-262-3257 for further instructions.

Please take this opportunity to remind your children to be aware of their surroundings and to never engage with strangers. In addition, please remind your children that if they are ever approached by a stranger that they should report the incident to a trusted adult as soon as possible.

If you see something, say something.
