BACK TO SCHOOL

AT THE IEC

BOE Meeting 10/26/26

SEPT/OCT 2026

GLOW BINGO

New Student & 3rd Grade Orientation

Our IEC Lancer Leaders, members of the HS Key Club, and National Honor Society volunteered to help with this event!

New and 3rd grade students and their families were all invited.

Over 200 people were in attendance!

26-27 Theme:

Each student completed a lightbulb to share what makes them “glow” at school. They were proudly displayed for parents to view during our open house.

Supply Drop Off

Families were invited in on September 1st to drop off their supplies, see their classrooms, and meet their teachers!

Very positive feedback from families!

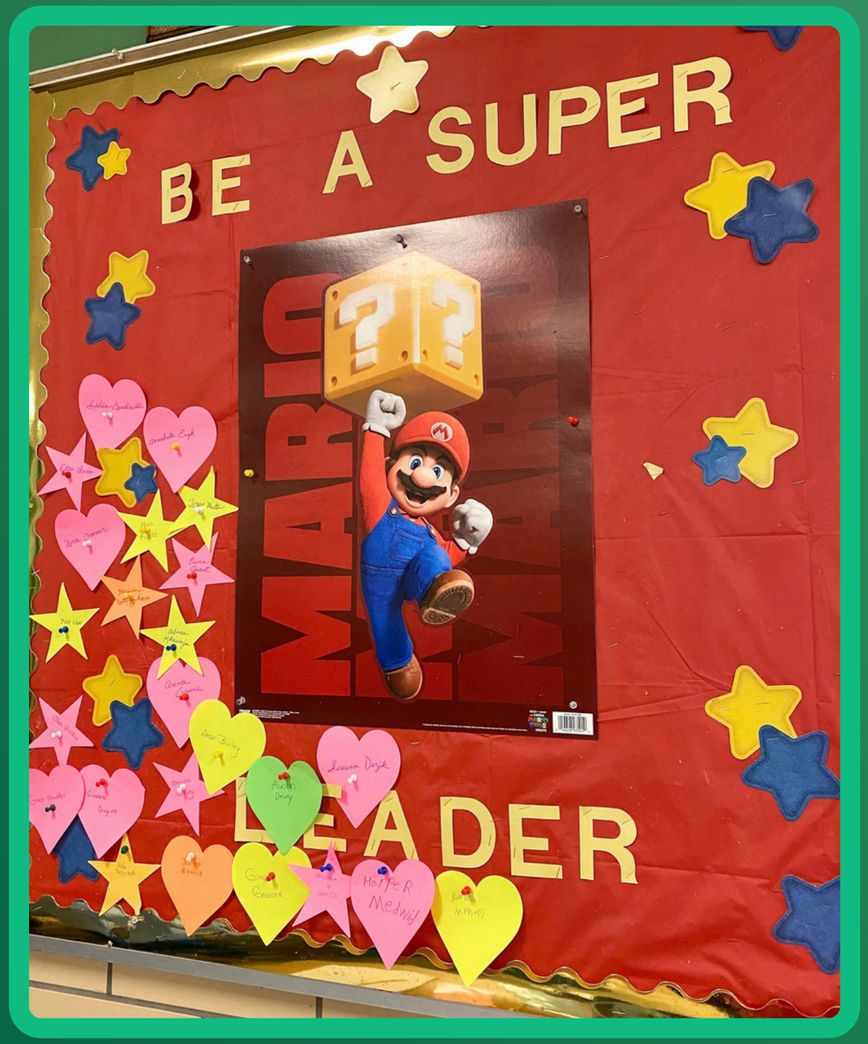

Welcome Back Assemblies

- Assemblies were held with each grade level to welcome all of our students back to school!
- Students were introduced to myself along with Mrs. Emmons, Mrs. Brook, Mrs. Amado, and Mrs. Williams.
- We discussed goals and expectations for the year ahead, cafeteria behavior, our code of conduct, and spoke about the importance of being here everyday prepared to learn.

IEC Super Leaders

- IEC Super Leaders are selected by our Cafeteria Monitors for their outstanding behavior in the cafeteria.
- Our monitors look for students who are being leaders by setting an example for others to follow at lunch time.
- IEC Super Leaders will be celebrated throughout the school year with special events like pizza and slushie parties!

Summer Reading Students

Our Summer Reading participants received a book, certificate, and a coupon for a special ice cream treat!

Surprise Attendance Days

- This year we are introducing Surprise Attendance Days!
- Students who are in attendance on randomly selected days will get the chance to participate in a special activity, win prizes, or get a special treat!
- Our 1st Surprise Day was a Slushie Party! Students were greeted with music in the bus loop and the party continued during their lunch periods with music and slushies for everyone!!!

Behavior Initiative

- Students are encouraged to work together as a class to achieve less referrals and make better choices.
- Each referral received will be marked with a tally under their teacher's name on our IEC bus.
- Fewer referrals means fewer tallies which makes their chances greater for earning a pizza party with Officer Shadow and our SROs.
- 5 rules we are asking them to follow are:
  - Keep your hands, feet, and objects to yourself.
  - Follow adult directions
  - Communicate with respect
  - Come prepared with your work
  - Follow our technology

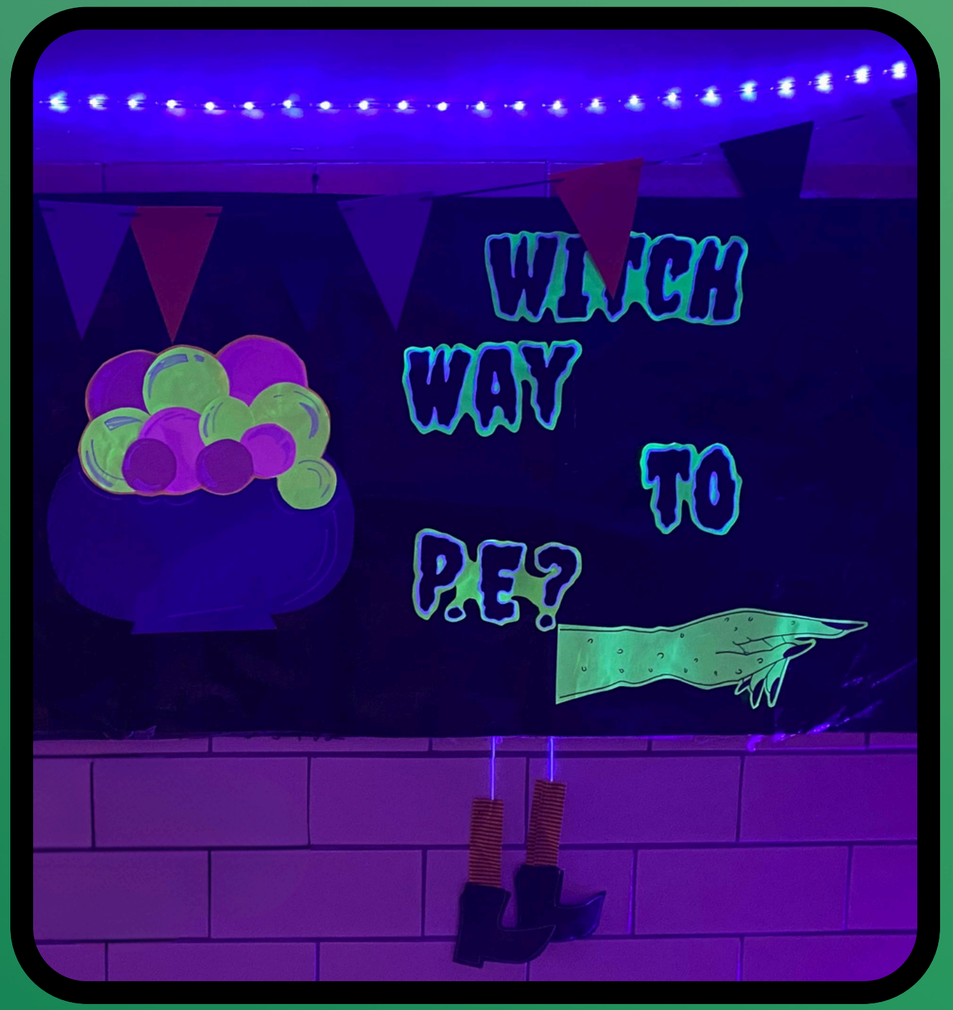

SPIRIT WEEK!

Crazy Hair Day, Glow Day, Pj Day, Dress Your Best Day, Green & White Day

Phys Ed Fun!

Our Phys Ed teachers really get us in the spirit!

Service Learning in the Community

- Students from our Service Learning program volunteered at the Peach Festival helping at the Fishbowl Tank.

- Together with their families they also volunteered at the Fort Niagara Beach Cleanup where they collected several bags of debris along the shoreline, helping to preserve the environment and keep our community beautiful.

4th Grade Field Trip

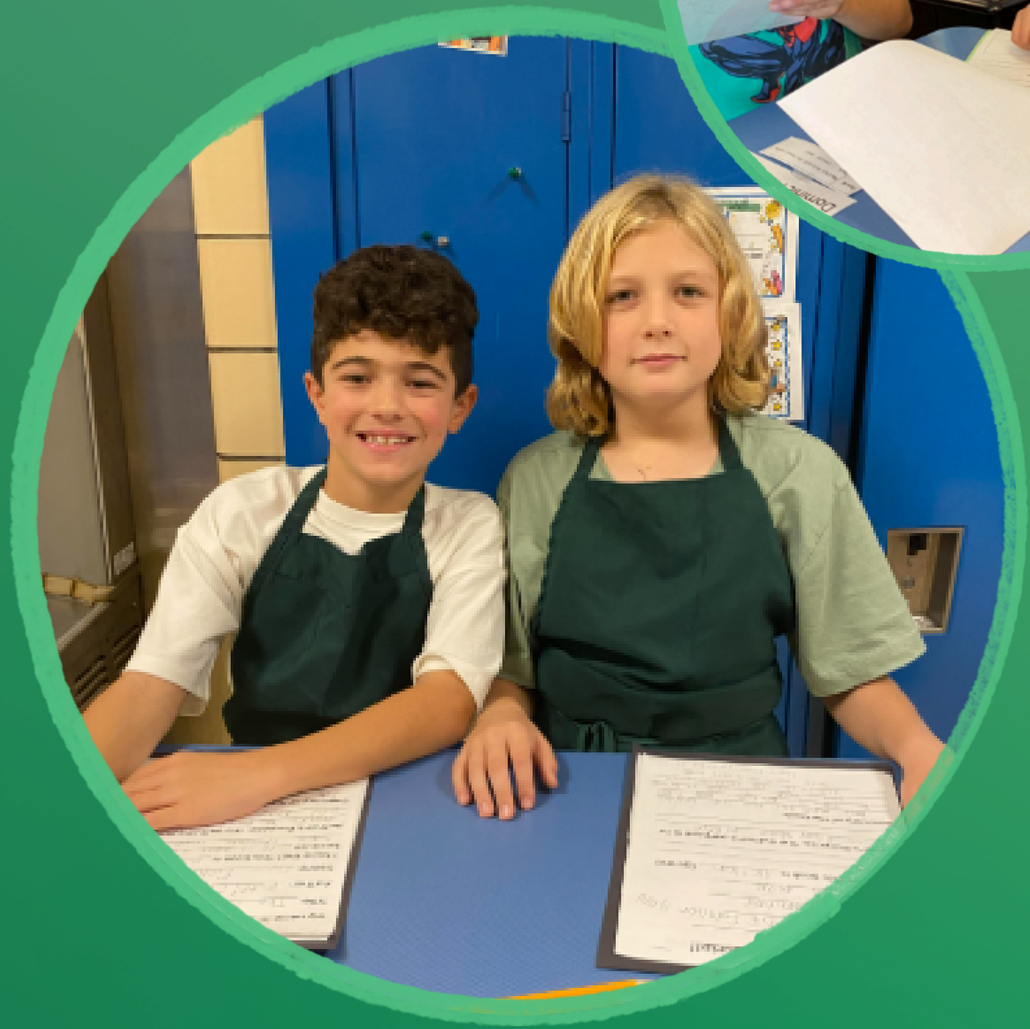

- 4th grade visited Old Fort Niagara in Youngstown on Friday, October 9th.
- They participated in the Fall Frontier Days Educational Program.
- Students explored the early Native American, French, British, and American history of the Niagara Region. A wonderful time was had by all!

“Starbooks”

Mr. Frederick's and Mrs. DuMoulin's 4th grade classes shared book reviews with 3rd and 5th grade students. They had a great time discussing story elements, genres, summaries, favorite parts, illustrations and why YOU should read the recommended book, too! Guests left with great book choices to read at home.
We are so happy to inspire others and to continue the love for reading!

Attendance Averages

September 2026

3rd Grade: 97%
4th Grade: 98%
5th Grade: 97%

Total: 97.3%

Our daily attendance averages have increased! Last September our averages were:
3rd Grade: 96%
4th Grade: 96%
5th Grade: 96%

Total: 96%
