Agenda Items:

Campus Action Plan 2026-2027

1. **Welcome and Opening Remarks**
   - Ms. Villa, Principal, welcomed all members of the SDMC team and expressed appreciation for their participation.
2. **SDMC Members Responsibilities Overview**
   - Assist, review, develop campus plan
   - Planning, budgeting
   - Curriculum recommendations
   - Staffing patterns
   - Plans/systems for student outcomes
   - Principal decision-making committee
3. **Purpose of Meeting Q1**
   - Ms. Villa explained that the purpose of the meeting was to review BOY campus data along with unit assessments, and other important data collected so far from the 2026- 2027 school year and establish the progress made toward the Campus Action Plan, review the goals and make any adjustments if needed.
4. **Campus Action Plan/ Campus Improvement Plan (CIP)**

   Three Key Actions:

   - Improve English proficiency in EB's
   - Improve math/reading (K-5)
   - Improve SPED instruction, delivery

5. **Data Review: BOY CIRCLE, DIBELS/Lectura, NWEA, Unit Assessments, Attendance, SPOTS, IRT#1**

   • The data indicates that students are demonstrating growth in reading and math skills based on the data collected. Math continues to be the strongest content area within our Emergent Bilingual students. Students' attendance ranges approximately 95% below 97% goal. The teacher's quality of instruction is high proficiency as indicated on the IRT#1 and SPOT data.

   • The Campus Improvement Plan (CIP) states the need on focusing on the improvement of the English Language for the 85% Emergent Bilingual students, the growth and achievement for the reading and math content of all students, and the focus of HQI delivery within our Special Education students.

   • The data collected so far indicates we are on track to close the students' academic gaps and meet our goals at the end of the school year.

4. **Safety Committee Reporting**
   - TEA Audits continue
   - Raptor accountability continues during every safety drill
   - Outdoor doors need sweeps continue every week as safety measure
   - Checking for improvement in types of locks on doors
   - No visitors without an HISD or visitor badge

- Everyone is responsible for safety, if you see something, say something.
