OGEP | OAK GROVE EDUCATION PARTNERS

HELP US REACH OUR $91,000 PLEDGE THIS YEAR

OGEP is the volunteer-run nonprofit education foundation behind so much of what makes school feel a little more magical. We help support equitable enrichment programs, school-wide community events, assemblies that bring everyone together, and field trips that take our kids from the classroom to tide pools, science museums, and everywhere in between.

We can't do this without you! Help us reach this year's goal.

Fill out the form below and we will be in touch soon.
