

TUMWATER HIGH SCHOOL - CLASS OF 2027

SENIOR PORTRAIT INFORMATION

If you are going to submit a professional senior portrait they are due to the Yearbook on Friday, November 20, 2026. We have page deadlines that have to be sent to the printer so we really need your photo by this deadline or we cannot guarantee that your photo will make it in the yearbook. **Please name your file as Lastname_Firstname** (for instance: McGowan_Traci)

Upload your photo directly to Jostens at the following link (or use the QR code):

- <https://photos.jostens.com/7GGJPW> (you will need to use a non-THS email address)
- If you are struggling to submit your photo please see Mrs. McGowan or email traci.mcgowan@tumwater.k12.wa.us
- Digital photos may be submitted in the following format: .jpg, .tif, or .png, 300 dpi minimum (high resolution photo). We do not have the technology to make a low-res photo printable.
- **Please name your file with your last name and your first name, last name first, then an underscore, then your first name, for example: mcgowan_traci.jpg**
- Full-color or black and white, **portrait (vertical) orientation** (approx. 2 ¼" w x 3 ½" h). Photos significantly smaller do not resize well digitally. We will not be able to use files that are smaller.
- PREFER Basic frontal or ¾" view; head and shoulders. If you submit a full body portrait please know that you will look very small compared to your classmates' photos.
 - Head size should be 1 ¼" from the bottom of the chin to the top of the head.
 - **Top of the head should be at least ½" from the top of the photo.** This is why some people's heads look huge compared to others in the yearbook!
- Digitally manipulated photos, photos with social media filters, artistic renderings of people, photos of more than one person, or childhood photos will NOT be accepted.

Student ID (ASB) photos will be used for any student not submitting a senior portrait (if you plan on using an ASB photo, please make sure you take a non-silly photo as well as your silly one.) If we don't receive a photo from you or you don't have an ASB photo taken you will have a graphic in place of your photo in the yearbook. The yearbook staff does their best to ensure that all students have a portrait in the yearbook but ultimately it is your responsibility.

*If you would like to have a portrait taken but are unable to arrange for a professional photographer, there will be opportunities to have an advanced digital photography student or photographer donating their time to have senior portraits taken, **please contact Mrs. McGowan** (traci.mcgowan@tumwater.k12.wa.us) by October 30.
