Coalition colleges you can apply to through Scoir

4 types
4-year, 2-year, tech & trade schools

FOR STUDENTS

Four steps from “no idea” to “I’m enrolled”

STEP 1
Discover

- Take the **Find Your College Match** quiz for personalized picks
- Explore careers and majors; many schools add a **YouScience** aptitude test
- Tour campus life through photos, videos and college posts

STEP 2
Search

- Filter by size, location, major, cost, setting, athletics, ROTC and more
- **Follow** colleges to build your My Colleges list
- Sign up for virtual or in-person visits, open houses and tours

STEP 3
Compare

- **College Compare**: up to 4 schools side by side — admissions, academics, cost
- **Scattergrams** show how past students from your school fared (GPA & test scores, kept anonymous)
- See sticker price vs. what similar families actually pay

STEP 4
Apply

- Apply to Coalition colleges directly with Scoir
- Request teacher recommendations and transcripts
- Track every school: Following → Applying → Applied → Enrolling

Stay organized all four years

My Profile
Log activities, achievements, volunteer & work hours, and write a short bio.

My Drive
Store a resume, best work, links and documents to share when it counts.

Mobile app
Check your list, deadlines and counselor messages from your phone.

FOR PARENTS & GUARDIANS

Be a supporter, not a spectator

Once your student invites you, you get your own free account linked to theirs.

See their list
View the colleges your student is researching and following.

Suggest colleges
Run your own searches and send schools you think are a good fit.

Understand real cost
Compare sticker price with the average paid by families with similar finances.

Track progress
Follow where each application stands as your student moves through the process.
