Graduation Requirements

All successful graduates obtain a NEASC-Accredited American High School Diploma, which requires: completion of the IB MYP or other Grade 9-10 equivalent, passing grade in six courses from different subject groups in Grade 11-12, and participation in community service. Passing the full IB Diploma requires the completion of six subjects (three at Higher Level) and all three Core components (TOK, EE, and CAS), while achieving a minimum total score of 24 points, without triggering any failing conditions.

Limited University Applications

ISP encourages students to complete extensive research in order to select their best-fit colleges and universities, and supports a maximum of 10 applications per student.

IB Predicted Grades Accuracy

A predicted grade represents a teacher's professional, evidence-based judgement of the grade a student is most likely to achieve in IB examinations. In 2026, 91.4% of final round predicted grades were within 3 point accuracy (out of 45) of the final IB result.

Grading System

ISP utilizes the IB 1–7 grading scale and does not report a Grade Point Average (GPA) or letter grades. ISP does not rank.

7-point grading scale	Approximate letter grade	Approximate percentage
7	A+	98 - 100
