BOARD OF EDUCATION BUSINESS MEETING
Tuesday, September 15, 2026

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Business and Executive Meetings.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of three (3) minutes on any one issue. The Board has allocated a total of twenty (20) minutes for public comments. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

Mission Statement

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

PUBLIC COMMENT – ALL ITEMS

The Board of Education now welcomes the public to comment on the items which are on our agenda or any school matter of community interest. Community members should first try to resolve their concerns by speaking directly to school administrators before bringing those concerns to the Board. It may not always be possible or appropriate for the Board to directly answer questions during the public comment period. Each speaker is allotted a maximum of three (3) minutes to

make their statement. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard. You are required to give your name and address before speaking. Please keep your comments respectful and non-defamatory, and maintain the level of decorum appropriate for a public meeting where minors may be in the audience.
