Dear Parents and Students,

The registration fee is **\$99.00** per exam this year. If you are in the free/reduced lunch program, you are eligible for fee reduction status. Any student eligible for a fee reduction will pay **\$53.00** per exam. A **late fee of \$40 will be applied to each exam ordered between November 14, 2026 and March 12, 2027.**

Students must bring in / mail the completed AP Registration Form and a **check or money order** made out to **Becton Regional High School** in the appropriate amount to Mrs. Tabaka in the Guidance Office. **Cash will not be accepted.** In addition, please inform students to put their full name on the MEMO line of their check for record keeping purposes. Students who are taking more than one exam must bring in a check/money order for the cost of all exams.

Please see AP Policy Agreement for the 2026-27 school year that was posted in the Genesis Portal at the beginning of the school year.

AP Testing Agreement: Taking the Advanced Placement test is required for all students enrolled in an AP class, regardless of the college or university the student plans to attend. **Students who do not take the exam will have the AP designation and AP course weighting removed from their transcripts. Students will be given honors credit, weighting, and the GPA will be recalculated to reflect the changes.** Any student who does not take the AP exam will not be permitted to enroll in AP courses at Becton High School the following school year. The student/parent must agree to pay the exam fee (about \$99), as determined by College Board in order to remain enrolled in any AP course. Fee reductions are available for students on free and reduced lunch. The Advanced Placement exam fee will be determined by the College Board for each exam.

AP Reimbursement: A student who receives a score of a 4 or 5 on an AP exam will be reimbursed the exam fee minus any administrative costs.

If you have any questions, please feel free to call or email me. You might also find answers to your questions by going to www.collegeboard.com/apstudents.
