MRS. PENNETTI

Welcome!

I am the proud Dean of Students at Brielle Elementary School. As Dean of Students, my goal is to create an environment where all students feel safe, respected, and inspired to reach their fullest potential. I will work with students, staff, and families on student behavior, attendance, SEL, and extracurricular activities to promote a positive school climate.

Log into the Genesis Parent Portal to report your child's absence and for attendance notifications.
