Nazareth Academy High School

Embracing Faith, Family, and Education *2025–26 Annual Report*

THE FUTURE IS *HERS* TO LEAD

Dear Nazareth Academy Community,

At my Installation last year, I shared both my pride as a Nazareth alumna and my desire to embrace "Elevate" as a guiding theme for our community. As you read this annual report, you will see how that vision came to life throughout the year.

Together, we elevated academic programs and opportunities for our students through the revitalization of clubs and activities, expanded out-of-classroom experiences, and created meaningful engagement with local professionals. We elevated our standards of excellence, resulting in remarkable achievements by the Class of 2026, including unprecedented scholarship offers from colleges and universities across the country. We also continued to elevate our impact beyond our campus through service, ministry, and outreach to those in need.

Yet as we celebrate these accomplishments, we are reminded that they are rooted in the values that have guided Nazareth Academy for nearly 100 years and continue to shape every aspect of our mission.

That spirit is reflected in our theme for the 2026–2027 school year: "Love is our goal and our path." Inspired by the charism and core values of the Sisters of the Holy Family of Nazareth, this theme calls us to lead with faith, compassion, and purpose. It reminds us that the path to excellence is not measured solely by achievement, but by how we care for one another, serve our communities, and live our values each day.

For generations, Nazareth Academy has formed young women who are rooted in faith, guided by integrity, and strengthened by community. As our students continue their journeys, they carry these lessons, and the spirit of Nazareth, with them wherever life leads.

Thank you for your generosity, your belief in our mission, and your commitment to our students. Thank you for being an essential part of our story.

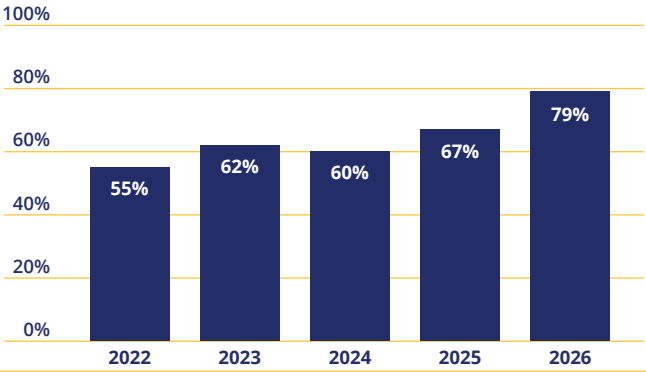

With gratitude,

Our Mission

Nazareth Academy High School is a Catholic, private, fully accredited college preparatory school for young women, sponsored by the Sisters of the Holy Family of Nazareth. Embracing faith, family, and education, we challenge each student to attain her full potential academically, spiritually, and personally.

Dear Friends of Nazareth Academy,

This year, Nazareth Academy High School continued to build on our tradition of academic excellence while remaining steadfast in our mission to educate young women in a faith-filled community rooted in Gospel values. Our commitment to small class sizes and personalized attention allows each student to be known, supported, and challenged to reach her full potential. Through our rigorous college preparatory, honors, and Advanced Placement curriculum, students develop critical thinking, creativity, and problem-solving skills while pursuing academic pathways that reflect their interests and future aspirations. By nurturing both intellectual and personal growth, we are preparing young women to succeed in college and to lead lives of faith, service, and purpose.

We are pleased to announce our reaccreditation by the Middle States Association, which took place in March 2026. In alignment with our strategic plan, we have developed an external course review partnership with Holy Family University, where departments, courses, and course sequences are evaluated by college professors for insights to ensure a culture of continuous improvement. Currently, Science, Mathematics, and Social Studies have been reviewed, and the focus for the 2026–27 external review will include the English and World Language departments.

Beyond the classroom, Nazareth students continue to grow through exceptional extracurricular and experiential learning opportunities that foster leadership, creativity, collaboration, and innovation. Our Robotics Program enters its second year, while Model UN has earned outstanding recognition for student achievement. Environmental Science students apply their classroom learning by cultivating fruits and vegetables in our greenhouse, and our nationally recognized Rocketry Program continues to soar, earning 13 national awards through hands-on STEM exploration. Excellence is equally evident in our Music and Fine Arts programs, where students develop their artistic talents and enrich our school community through performance and creativity. In Athletics, our third year competing in the Philadelphia Catholic League has brought continued success, with championship-caliber performances in track and field, swimming, golf, and tennis. These diverse opportunities complement our academic program and empower our students to become confident, compassionate leaders prepared to make a meaningful impact in the world.

Thank you for your continued support of our school community. You are making a wonderful difference for tomorrow's leaders.

Thank You, Mrs. Quinn, for 28 Years of Dedication

"I am overwhelmed by gratitude. Twenty-eight years ago, I walked through these doors as a chemistry teacher, eager to ignite curiosity and show women the wonder of science. I never imagined that I would still be here to this day and I am so grateful that I was.

Chemistry taught me that given the right conditions and the right catalyst, we can transform anything. This is what I continually witnessed, and Nazareth does this every day. Over these 28 years, I have seen tremendous change. We have navigated the evolution of technology, social upheaval, and a pandemic that tested our community and resilience. Through it all, our young women rose to meet these challenges. I have seen them become scientists, artists, advocates, mothers, leaders, and faithful witnesses to Christ's love in the world.

That is the real chemistry of Nazareth Academy, and it is not found in the lab. It is in how we form young women to think deeply, act justly, and love without limits. As I step into the next chapter, I do so with a full heart and no regrets. I am leaving a community I have grown to love more deeply with each passing year. I trust NA's future completely. The foundation is strong and the mission is clear. The young women entering our doors are more remarkable than ever.

Thank you for 28 years of purpose. I will bring you with me. You have changed me and made me better."

Patricia Quinn, MS, MCE

Preparing *Her For Success.* Inspiring *Her to Lead.*

At Nazareth Academy, some of the most meaningful lessons take place when students are asked to apply their knowledge beyond the classroom. Throughout the year, they stepped into new roles, explored new interests, and discovered new ways to make an impact on the world around them.

In Mock Trial, students learned to think critically, respond under pressure, and present their ideas with confidence. Through a business ethics competition, they grappled with complex questions that challenged them to consider not only what they could do, but what they should do. Experiences like these remind students that leadership is rooted in judgment, responsibility, and a willingness to engage thoughtfully with difficult issues.

Students also found opportunities to innovate and collaborate. After a brief hiatus, the Robotics Club returned, bringing together students eager to design, build, test, and problem-solve as a team. Along the way, they experienced successes and setbacks that are part of any creative process and gained confidence in their ability to take on unfamiliar challenges.

We expanded the Pre-Health Major Program, a recent addition to Nazareth's academic offerings. Through early clinical exposure and hands-on learning opportunities, students began exploring careers in health care while developing a deeper understanding of the compassion, responsibility, and commitment that caring for others requires.

While these programs differ in focus, they share a common purpose. They encourage students to ask questions, take initiative, work collaboratively, and connect their learning to the needs of the world around them.

As we reflect on the year, we are proud of the many ways Nazareth students challenged themselves to grow. Whether in the classroom, in competition, in the lab, or in service to others, they continue to demonstrate the curiosity, character, and determination that will serve them well in college and beyond.

The Future is *Hers to Lead.*

Italy

Nazareth students expanded their horizons this year through enriching travel experiences that combined cultural exploration, education, and unforgettable memories.

In Greece, students explored the historic Acropolis in Athens, participated in a cooking class, visited the picturesque town of Nafplio, cruised the Aegean Sea, and experienced Oia in Santorini, famous for its iconic blue-domed churches.

The Performing Arts department also took students abroad on a memorable music performance trip through Italy and Austria. Sixty-nine travelers visited cities and towns, including Verona, Cremona, Venice, Salzburg, and Vienna, experiencing the rich cultural traditions of each destination. In Mondsee, the group provided music for the Corpus Christi Mass at the Basilica where Maria and Captain von Trapp were married in the film *The Sound of Music.* In Vienna, Nazareth musicians joined local high school students for a collaborative concert at the historic Capuchin Church, creating meaningful connections through their shared love of music.

New at NAZ:

A Fresh Look. Enhanced Spaces. A Better Nazareth.

While the halls were quiet, there was plenty of activity happening behind the scenes this summer. From updated finishes to enhanced spaces, several campus improvements are giving Nazareth a fresh new look.

- Thanks to the generosity of the Nazareth Academy Parents Association, new illuminated signs were installed at the Main Entrance
- A brand-new ladies room was completed in the Gym Lobby
- New carpeting was installed throughout select classrooms and offices
- The gymnasium floor was stripped and professionally refinished
- New tennis courts at Torresdale Playground (courtesy of Philadelphia Department of Parks and Recreation)

Inside NAZ:

Nazareth Academy High School has established Admission and Scholarship agreements with the following colleges and universities to provide qualified students with enhanced opportunities to pursue their education:

- Arcadia University
- Holy Family University
- King's College
- La Salle University
- Marywood University
- Misericordia University
- Mount Saint Mary's University
- Neumann University
- Saint Joseph's University
- University of Scranton

Academic opportunities at Nazareth Academy continue to evolve as we prepare students to thrive in an ever-changing world. The following courses were introduced at the beginning of the 2025–26 school year:

- Innovation Business/Entrepreneurship
- Catholic Church in the Changing World
- Honors English 3
- Honors English 4

The Class of 2026:

Celebrating Success, Embracing the Future

It was a joyful and proud day for the Nazareth Academy High School community as we celebrated the achievements of the Class of 2026 at their Baccalaureate Mass and Commencement Ceremony. Gathered in the Immaculate Conception Chapel for Mass, graduates paused to honor the memories, friendships, and experiences that shaped their Nazareth journey and looked ahead with faith and hope to all that awaits them.

The achievements of the Class of 2026 extended beyond the classroom, with graduates receiving a remarkable $47,414,360 in scholarships and institutional grants and 99% continuing their academic journeys at four-year institutions. Valedictorian Annalise Dubeck and Salutatorian Sadie Walker offered heartfelt remarks that celebrated the memories they shared and inspired their classmates as they embraced the opportunities ahead.

Celebrating Sisterhood & Panda Pride

The Nazareth Sisterhood lasts a lifetime, and our alumnae continue to celebrate that special bond by gathering throughout the year. From class reunions to the annual All-Year Shore Reunion, these gatherings provide opportunities to reconnect with old friends, reminisce about cherished memories, and create new ones. Whether celebrating decades of friendship or simply enjoying time together, our alumnae gatherings are always filled with laughter, connection, and plenty of Panda Pride.

Are you interested in planning a Class Reunion or volunteering for the All-Year Shore Reunion? Please contact Terri Evans, Director of Alumnae Relations, at 215-268-1047 or tevans@nazarethacademyhs.org for more information.

of Memories, a Lifetime of Sisterhood Class of 1976, Together Again!

With hearts full of memories and pride, the Class of 1976 returned home to Nazareth Academy High School to commemorate their Golden Anniversary. These proud alumnae were honored during the Class of 2026 Commencement Ceremony at Holy Family University before gathering back on campus to reconnect with one another, revisit cherished memories, and see the growth and transformation of their alma mater.

Nazareth Academy Performing Arts:

Cultivating Creativity, Celebrating Talent

Music, creativity, and artistic expression resonated throughout Nazareth Academy this year as students shared their talents through an impressive lineup of performances. With soaring vocals and energetic choreography, the fall production of *The Wizard of Oz* delivered a memorable experience for audiences.

Two festive events brought the joy and spirit of the holiday season to life with student performances in the Christmas and Candlelight concerts. All nine music ensembles took the stage for the Christmas concert, entertaining the audience with festive pop arrangements. The beloved Candlelight concert offered a more reflective celebration, as the Chorus, Chorale, Orchestra, and Alumnae Choir performed a beautiful collection of sacred music.

The arts took center stage as the Nazareth community gathered for the Spring Serenade, featuring beautiful performances by the Orchestra, Chorus, Chorale, Pandamonium, and Alumnae Choir.

The season continued with the Spring Concert, where the Jazz Band, Guitar and String Ensembles, Orchestra, Pandamonium, and both the Chorale and Chorus shared their exceptional talents.

The Performing Arts year came to a memorable close with the Black and White Dinner Concert, celebrating the talents of the senior class along with performances by Pandamonium and the Jazz Band. The event also recognized student achievement with the induction of new members into the Tri-M Music Honor Society.

Our recent trip to Italy and Austria also brought together alumnae who had connections to our performers in various Performing Arts groups (l to r): Madeline Woltjen '23, Valentina McColgan '25, Marianne Erwin Chmelko '83, Kate Chmelko '05, Dana Shaw Grugan '98, Julia Davis '19, Lauren Schellinger Haley '08, Melissa Schellinger Lindinger '00, Jennifer Schellinger Grayson '03.

A Year of Athletic Excellence:
Celebrating Achievement Across Every Season

Nazareth Academy Athletics celebrated another exceptional year during the 2025–26 seasons, capturing four Philadelphia Catholic League (PCL) and PIAA District XII championships. The year was marked by numerous outstanding achievements, including seven student-athletes committing to continuing their athletic careers at the collegiate level, one PCL Most Valuable Player, and three *Northeast Times* Players of the Year.

The fall athletic season was marked by championship titles, record-setting accomplishments, and standout individual performances. The Golf Team captured its second Philadelphia Catholic League Girls Division Championship and qualified in the team category for the first time in the PIAA State Championships. Cross Country continued its Catholic League dominance, winning its third consecutive PCL Championship and second consecutive PIAA District XII title, with 11 runners earning All-Catholic honors, including six First Team selections. Sadie Walker ’26 led the Tennis Team to a successful season where they finished runner-up in the Catholic League Championship, and she was awarded Most Valuable Player. The Soccer Team continued to be a dominant contender when they made it to the PCL semifinals led by Alyssa Browning ’26 who was also selected as the *Northeast Times* Player of the Year.

Nazareth Academy Swimming has established itself as an elite program in the PCL, capturing their third consecutive Catholic League Championship and repeating as the PIAA District XII champions. Anna Wicker ’27 led the team this season attaining First-Team All-Catholic honors and qualifying for four events at the PIAA state championships. She also received local recognition when the *Northeast Times* selected her as the Swimmer of the Year. Our Cheer Team had a competitive season where they finished second in the PCL Large Division; won their first PIAA District XII Championship (Large Division) and finished in fourth place in the AA Large Division State Championships.

Spring competition brought another championship to Nazareth as the Outdoor Track & Field Team claimed the Philadelphia Catholic League title. Twelve student-athletes earned All-Catholic honors, including eight First Team selections. The season was highlighted by a thrilling come-from-behind victory in the 4x400-meter relay, where the Pandas raced to gold in the PCL event at the Penn Relays. The Softball Team also enjoyed a strong postseason run, advancing to the PCL semifinals and the first round of the PIAA State Playoffs. Leading the way was Alexis Greenwood ’26, a First-Team All-Catholic and Second-Team All-State selection, and Keiragh Krzywicki ’27, who earned First Team All-Catholic honors and was named the *Northeast Times* Player of the Year.

Making a Difference through Meaningful Service

Ministry is an integral part of our Nazareth Academy community with students, faculty, and staff embracing opportunities to grow in faith, serve others, and put our mission into action. The spirit and legacy of the Sisters of the Holy Family of Nazareth encourage students to serve with compassion, lead with purpose, and make a lasting difference in their communities.

Throughout the school year, students engage in meaningful service initiatives, including our Community Day of Service which offers volunteer opportunities both on campus and throughout the community, and Saint Lucy Day which brings Nazareth students together for games and activities with friends from Saint Lucy School for Children with Visual Impairments.

Individually, Nazareth students continue to demonstrate their commitment to serving others through meaningful volunteer opportunities. Regina Durrant ’28, pictured top center, was recognized as the Volunteer of the Year by Caring for Friends, an organization dedicated to providing food and friendship through its homebound meals program, homeless outreach, and a food bank. Through her service, Regina has personally prepared more than 10,000 meals, making a tremendous difference in the lives of individuals and families throughout the community.

Isabella Gangemi ’28, pictured top left, devotes many hours of her free time to crocheting warm winter items for those in need, generously donating her handmade creations to Mother of Mercy House. This year, Isabella will serve as President of the Knitting/Crochet Club at Nazareth and also hopes to share her expertise with other members in the Faith and Fellowship Club.

Dear Alumnae, Parents, and Friends,

In reading the narratives included in this year's Annual Report, Nazareth's role in preparing graduates for leadership at all levels is readily apparent. It is, moreover, not an overstatement to say that the role of strong and ethical leadership has never been more important to defining the future of humankind in our global society.

As a Sister of the Holy Family of Nazareth, alum, faculty member, and, most recently, Board Chair, I am acutely aware of the gifts Nazareth has to offer our students. Perhaps the most valuable of these is the gift of family, a foundation from which all leadership is formed and grows. Throughout its nearly 100-year history, the Academy has been blessed with administrators, faculty, and staff who recognize this importance of family and both model and teach it in spirit and in truth. It is not by coincidence that students today refer to the "sisterhood" they enjoy in their experience here.

I mark the end of my Board term with optimism and a firm belief that family – an environment in which each individual has an opportunity and the support needed to reach their full potential – exists at Nazareth and ensures a future generation of leaders which will continue to inspire and shape the lives of many individuals and society. Clearly, our past gives us evidence of this potential; our present much hope for the future. Along with the members of our Congregation, I express my sincere gratitude to our current administrators, faculty, staff, families, benefactors, and my fellow trustees for your unwavering support of our ministry to serve families at Nazareth in so many ways. In wishing all well, I assure you of my continued prayers.

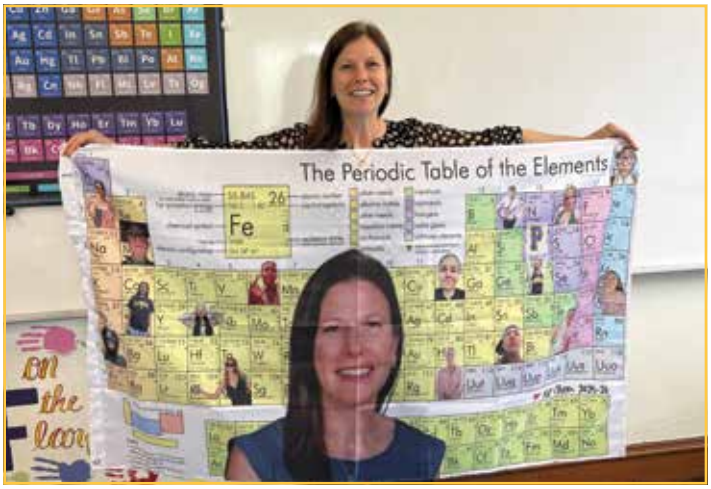

May the Holy Family of Nazareth bless you and keep you safe,

S. Maureen McGarrity, CSFN

Jess Boyle, a Software Engineer at JP Morgan Chase & Co., shared her knowledge and expertise with members of the Girls Who Code Club. The new club meets weekly to strengthen their coding skills while developing their own individual websites, providing students with valuable hands-on experience in technology and web development.

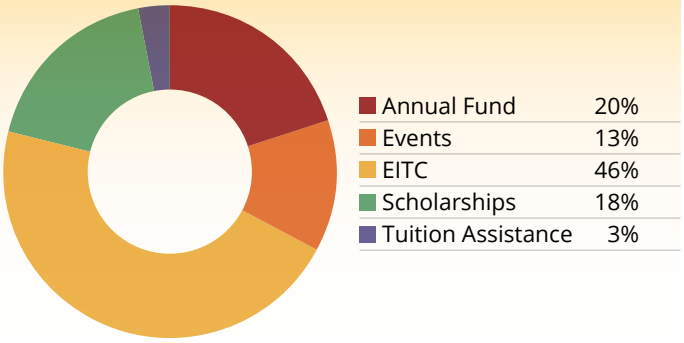

Students in Mrs. Scott's AP Chemistry Class gifted her a flag featuring their photos alongside their favorite Elements from the Periodic Table.

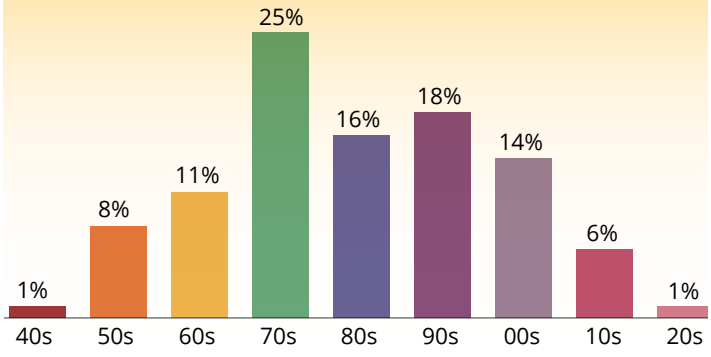

Giving Today, Shaping Tomorrow
Gifts Received July 1, 2025 to June 30, 2026

Thank you to our alumnae, families, and friends for your generous support and commitment to our students. Through your contributions, you help provide opportunities that inspire young women to grow, achieve, and reach their full potential at Nazareth Academy High School.

Each year, Nazareth Academy students put their faith into action by contributing more than 15,000 hours of service to organizations and individuals throughout our surrounding community.

Members of the Asian Cultural Club (ACC) celebrated the end of the school year with a picnic at Saint Joseph's Prep, enjoying games, food, and fellowship alongside members of ACC clubs from the Prep, Little Flower, and Roman Catholic.

Ariella Mastrosante '26 designed a child-safe, representation-focused prosthetic toy for her capstone project in the Honors Product Design Class. Ariella's design was grounded in a simple but powerful idea: every child deserved to see themselves reflected in the world around them.

Nina Cowen '26 was recognized as a Top 100 Innovator at the University of Delaware's Limitless World Summit, where her 3D-printed hand brace, Mannus Opus, earned her a Top 20 finalist distinction among 900 participants. She also achieved first place in a live design sprint competition where students were challenged to design forward-thinking AI technologies toward a sustainable future. Nina will continue pursuing her passion for innovation at the University of Kentucky, where she will major in Product Design.

Ms. Kathy A. Wyszynski

Mr. Adamchak's Criminalistic Forensics class gained firsthand insight into careers within the FBI and the Evidence Response Team (ERT) through a presentation by Supervisory Senior Resident Agent (SSRA) Art Durrant of the Newark Division, Trenton Resident Agency, and Sarah Monaghan, Team Leader for the FBI, Newark Division, Evidence Response Team (ERT). Agent Monaghan was the lead forensic investigator for the plane crash that occurred in Northeast Philadelphia in January 2025.

Emily Garay '27 brought the skills from her Product Design class to life by designing a rover mission for Jupiter's moon, Ganymede. She began by defining the mission from a planetary scientist's perspective, identified the core challenges of exploring an icy world, and translated those constraints into a fully realized rover system – complete with a functional instrument package and a detailed mission architecture. Emily plans to continue her studies in aerospace engineering and hopes to pursue a career with NASA.

Your Pennsylvania Tax Dollars can make a difference for students at Nazareth Academy High School

Overview:

Pennsylvania's Educational Improvement Tax-Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs offer individuals and businesses an opportunity to receive up to a 90% tax credit against their personal PA state tax liability.

"I have committed to participating in EITC over the past several years, as I recognize the importance and need of the program. I believe that empowering all young women through education is the key to our future. Supporting a program like EITC helps provide our girls with the opportunity they deserve to succeed and create a brighter future for themselves and their communities."

Nina Tanghe Ingulli '98 P '28
