

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how families and school staff will work together to help every student meet or exceed grade-level standards.

Effective compacts:

- Connect to the goals of the Campus Improvement Plan.
- Focus on the skills students need for academic success.
- Describe how teachers provide high-quality curriculum and effective instruction in a supportive learning environment.
- Share practical learning strategies families can use at home.
- Explain how teachers and families communicate about student progress.
- Describe opportunities for families to volunteer, observe, and participate in the classroom.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

Parents, students, and staff of Peck Elementary meet each year to discuss student learning needs using current grade-level data. The compact is revised through these conversations. Teachers recommend home-learning strategies, families help make those strategies specific and practical, and students identify ways to support their own learning goals.

Family input is welcomed throughout the year. Contact the school to share suggestions or request a meeting.
