Class	Performance *C or NC*	Name of Ensemble	Directors Name	Number in Group	Event (Tenor/Bass Choir, Full Orchestra, etc.)

Note: If there are two of the same types of ensembles for the school entered, the second ensemble may be entered in a special classification (i.e., "second ensemble," one class lower) provided there is no duplication of personnel. If the second ensemble enters in its regular classification, there may be a duplication of personnel. Enter your first group as A, the second as B, then C, etc. along with the name of your ensemble (i.e., Wind Ensemble A, Symphonic Band B, etc.).
