WE DID IT!- RAMP

Less than 1,400 schools nationwide and the ***only*** school in NYS.

WHAT IS RAMP?

- American School Counselor Association (ASCA)
- It verifies that our school counseling program is....
  - **Comprehensive**
  - **Data-Driven**
  - **Intentional**
  - **Equitable**
  - **Student-Centered**
  - **Improving student outcomes**
  - **Proactivley serving every student at LMK**

THE RAMP APPLICATION PROCESS

- A multi-year rigorous self-analysis of our guidance curriculum and delivery of service
  - Kristin Kearney, Lisa Cannistraci, Lauren Ciallella

- Analyze and reflect on school data, delivery of service, and our strategic initiatives to close identified opportunity and achievement gaps.

- National panel of reviewers through ASCA

STUDENT IMPACT

Our Focus

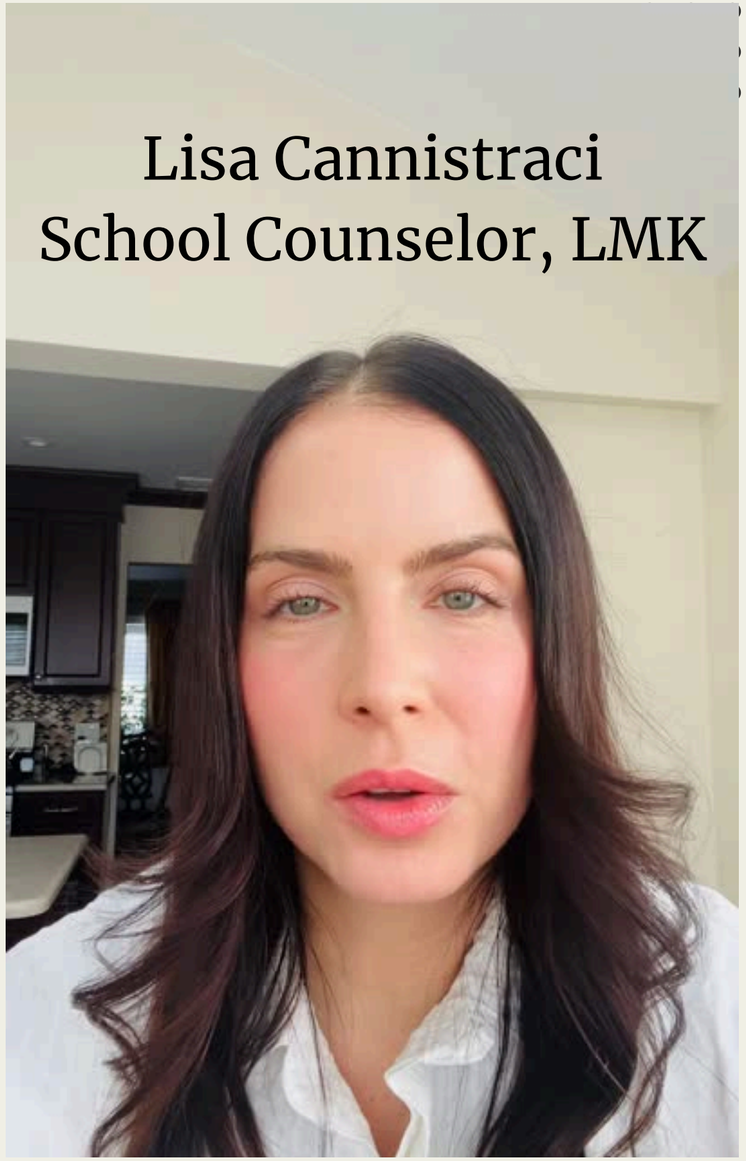

- Data
- Systems
- Practices
- Mindsets and Behaviors

Students demonstrated measureable growth in **attendance patterns, overall achievement, and identifying and overcoming barriers to success.**

Demonstrated **proactive school counseling for all students** and measureable progress **in closing identified achievement gaps.**

“How do we know what we are doing is working and for whom?”

“This recognition belongs to our entire school community.”

HOW DID WE GROW?

Earning RAMP didn't only recognize our program- it also helped us grow.

Data Dashboard

Stronger system to identify students and respond more effectivley and efficently.

MTSS Toolkit

Targeted intervention strategies toolkit to support student attendance K-12.

Kristin Kearney
School Counselor, LMK

“Most importantly [this achievement] belongs to our students- the reason we do this work everyday.”

FEEDBACK FROM ASCA

"Congratulations to your school counseling program for demonstrating **exemplary implementation of the ASCA National Model.** You have been successful providing evidence for how you define, manage, deliver services and assess your comprehensive school counseling services to influence student achievement. **Enjoy celebrating this well-deserved national recognition while continuing to grow with the model.**"
