AT SAMBRANO, WE WILL:

- Provide a safe and positive learning environment through modeling and implementing PBIS. (Positive Behavioral Interventions and Support)
- Offer students access to diverse resources and opportunities to read and engage with various types of texts.
- Maintain regular communication with parents through multiple channels.
- Implement differentiated reading intervention strategies tailored to support students who have not yet achieved grade-level skills.
- Organize family sessions that introduce various strategies to promote reading at home.
- Ensure all students work towards meeting state academic standards by making tutoring and other interventions accessible to all stdents.

AT HOME, FAMILIES WILL:

- Ensure your child gets a good nights sleep, proper nutrition, attends school every day, on time.
- Completes homework with child.
- Attend during and after school parent sessions provided by the school.
- Attend Fall and Spring Parent Teacher Conferences.
- Engage in meaningful conversations with your child daily.
- Maintain consistent communication with the teacher through platforms like Class Dojo or the Parent Portal to track your child's progress.
- Volunteer or attend meetings whenever possible to take part in the decision-making process.
- Submit any necessary documentation for absences within 48 hours

AS A STUDENT, I WILL:

- Follow MTSS core values: be respectful, responsible, and safe.
- Be ready to learn each day at school.
- Come to school in my uniform.
- Attend school daily.
- Always follow school safety rules.
