The Future Ready Series

The Future-Ready Series: Your Complete Roadmap from High School to Higher Ed.
Your LHS Counseling & Social Work Department want to make sure your Bluejay is Future Ready! Not only does that include knowing what is needed during high school but also knowing what to expect as you plan for life beyond LHS. **Come to our mini sessions during parent teacher conferences!**

It's Time to check those grades!

Are you struggling? Follow these TIPS for Success.

The #1 thing you need to do to raise your grade is have a conversation with your teacher. You (or your parent/guardian) should communicate directly with the teacher to know about your progress in the class and where to begin to get caught up. **Parent Teacher Conferences are coming up, so this would be the perfect opportunity!**

Get Organized
Make a list of what you need to do? Focus on Big Ticket (big point) Items first! This will help your grade go up the quickest!

Attend Tutoring
We have amazing student Tutors available to help through Tutoring Club. Do not hesitate to sign up.

Reassess your Study Habits

- Schedule Study Time.
- Make a study space and time to do homework.
- Use your planner.
- Check your organization. Are you losing assignments? Forgetting to turn them in?
- Write down points of confusion to discuss with your teacher.
- Set a timer to help focus when doing homework. When the timer goes off, take a quick break.

You have plenty of time to raise your grades to passing this semester, so talk with your teacher and get those assignments turned in.
