# Letter from the Principal

Choosing the right high school for your child is one of the most important decisions you will make as a parent. Having experienced that journey with my own children, I understand the importance of finding a school that offers not only an excellent education but also a community where students feel they belong, build lasting friendships, and grow into confident, compassionate young adults.

As both a parent and an educator, some of my most meaningful memories come from watching students overcome challenges, discover their strengths, and achieve more than they thought possible. Whether through a demanding academic course, a competitive athletic season, or a memorable performance, these experiences shape students in ways that extend far beyond graduation.

Now, as Principal of Bishop John J. Snyder High School, I have the privilege of witnessing those moments every day. From our rigorous Advanced Placement courses and expanding Allied Health program to our outstanding athletics and fine arts opportunities, Bishop Snyder provides an environment where students are challenged, supported, and encouraged to discover their potential.

As we celebrate 25 years of Bishop Snyder, we are building upon our proud traditions while looking toward an exciting future. With plans to enhance our facilities, strengthen our programs, and expand opportunities for students, our commitment to excellence continues to grow.

Yet what truly sets Bishop Snyder apart is our Catholic mission. Rooted in competence, conscience, and compassion, we strive to develop young men and women who are not only academically prepared but also grounded in faith, strong character, and a commitment to serving others.

Throughout my years in Catholic education, I have learned that students may not remember every lesson, but they will always remember the teachers who believed in them, the friendships they formed, and the experiences that shaped who they became. That is the Bishop Snyder experience I want for every student.

I warmly invite you to visit our campus, meet our students and faculty, and discover what makes our Cardinal community so special. We would be honored to welcome your family and become part of your child's journey.

God bless,

*Dr. Arsenio Yumul*

# SCHOOL COUNSELING

At Bishop Snyder, our School Counseling Department is dedicated to guiding students through every stage of their high school experience. Beginning freshman year, counselors work individually with students to create an academic plan that reflects their God-given strengths, interests, and long-term goals. Through regular check-ins, we walk alongside students as they explore career pathways, prepare for college admissions, and make informed decisions about courses, testing, and scholarships. Rooted in our Catholic values, we encourage students to discern their future with faith and confidence—so that every Snyder graduate is prepared for college, career, and a life marked by competence, conscience, and compassion.
