Did you know?

The full moon on November 24, 2026, is traditionally called the Beaver Moon. In 2026, this will be the second of three "supermoons," appearing larger and brighter than usual.

CBCSD Nutrition Services has awarded its first local food contract to partner with FarmTable Food Hub and Wisconsin's Richland Hills Farms. Through this new bid award, the District will source fresh, locally grown Midwest sliced apples for students. The partnership integrates farm-fresh fruit into both the National School Lunch and National School Breakfast Programs, strengthening regional agriculture while providing healthy meals.
