WHAT IS A SCHOOL-HOME COMPACT FOR SUCCESS?

The School-HOME Compact for Success
Is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach or exceed grade level standards.

EFFECTIVE COMPACTS

*EFFECTIVE COMPACTS SHOULD...

- Connect goals with the school's improvement plan
- Focus on skills that students need for success
- Describe how teachers plan to provide high-quality instruction to help your child succeed
- Share strategies families can use at home to help their child
- Explain how teachers plan to communicate students' academic progress

JOINTLY DEVELOPED

The families, students, and staff of Guild Elementary School developed this School-Parent Compact for Success. Teachers suggested home learning strategies, families added ideas to make them more specific, and students shared what would help them. Meetings are held each year to review the compact and make changes based on student needs.

BUILDING PARTNERSHIPS

Reading Empowers All Children's Hopes

R.E.A.C.H.

School-wide Title I

R.E.A.C.H. hosts free family events throughout the year. These events empower families by sharing ways they can support their child in reading, writing and math while also providing fun, engaging activities for families to experience together. What a great opportunity to share the evening with your child's teacher, classmates, and other parents.
