Dear Shark Families,

We are thrilled to announce that our annual **Halloween Parade** is just around the corner! This beloved tradition will take place on **October 30th** at **2:15pm** for all students in Grades K-5.

In collaboration with local safety officials, and to ensure a smoother, safer, and more inclusive experience for all students and spectators, we have made some updates to the parade route and spectator procedures this year.

Parade Route: Students will be starting the parade by coming out of the gym doors. They will proceed to the walking track and complete one loop before returning to the building. Fifth graders will go first, followed by kindergarten, first grade, second grade, etc. We ask that **all parents/spectators please stand on the outer edges of the walking trail or behind the cones from the gym doors to the walking track.** We ask that only school staff be inside of the cones and walking track loop for supervision purposes. Please see the attached map for reference.

Parking: Parents should park in our lower parking lot, including around the edges of the lot. Please do not park in the basketball court area. Once the lot is filled we will use overflow parking. Overflow parking for this event will be off of Carl Street (please see map - this is the street between the front of the school and Schnecksville Diner). Please look for school staff to direct overflow parking. Do not park in any of the local business parking lots.

A parade map is attached for quick reference.

Please remember that student costumes must be school appropriate - no costumes with guns, swords, other weapons, or other inappropriate attire, including costumes that would be deemed scary in nature.

We are looking forward to a wonderful day of spooky and safe fun! Thank you for your continued partnership and cooperation with these new procedures.

Sincerely,

Justina Verile
