Part A – Bidding and Contract Requirements

AD1.01 QUESTIONS

If we were not available to attend the Bidders Conference on October 15, 2026, can we still submit a proposal?

AD1.01 ANSWER

If your company did not attend the **mandatory** Bidders Conference, you cannot submit a proposal.

AD1.02 QUESTIONS

Does this RFQ qualify vendors to provide services in general for SCUSD - outside the scope of work outlined in this RFQ - or will awardees only be permitted to provide the scope of work outlined in the RFQ?

AD1.02 ANSWER

The RFQ awardees will only be permitted to provide the scope of work outlined in the RFQ and only for Expanded Learning Programs in the Youth Development Support Services.

AD1.03 QUESTIONS

What is the estimated student count for each school site's ELO program?

AD1.03 ANSWER

The estimated student count for each school site's ELO program depend on the number of applications that we receive. This number can fluctuate from year to year.

AD1.04 QUESTIONS

Are you only seeking full-service providers or can vendors propose supplemental programming for this RFQ?

AD1.04 ANSWER

Yes, we are only seeking for full-service main providers for this RFQ.

AD1.05 QUESTIONS

May a curriculum provider be listed as a partner/collaborator on a lead agency's Statement of Qualifications, given that the RFQ allows multiple partners?

AD1.05 ANSWER

Yes, a curriculum provider may be listed as a partner or collaborator on a lead agency's Statement of Qualifications, provided the RFQ permits submissions that include multiple partners.

AD1.06 QUESTIONS

Since attendance at the October 15 Bidder's Conference is required to submit, is there any way for an organization that did not attend to take part, for example, as a partner only?

AD1.06 ANSWER

See answer AD1.01

AD1.07 QUESTIONS

We reviewed the RFQ and noted that attendance at the October 15 bidder's conference was mandatory for agencies wishing to submit a Statement of Qualifications. Unfortunately, we were unable to attend and wanted to inquire whether there is any opportunity to remain eligible to apply, such as an alternative attendance arrangement or other accommodation.

AD1.07 ANSWER

See answer AD1.01

AD1.08 QUESTIONS

In the proposal outline, there was no place indicated for us to attach our pricing proposal. Would you like us to submit pricing with this RFQ, or just what is outlined in the document?

AD1.08 ANSWER

If your company is selected to contract for a school site, contract negotiations will begin at that time.

AD1.09 QUESTIONS

Would this opportunity be blended funding sources, such as ASES and ELOP?

AD1.09 ANSWER

It will depend on which site becomes available. However, expanded learning sites may offer a combination of funding sources with ASES and ELOP.

AD1.10 QUESTIONS

Unfortunately, the link you sent goes to the same RFQ page, and the file labeled "Bidders Conference PowerPoint Slides" still opens the RFQ instead of the slides.

Could you please email the bidders' conference slides directly to us?

AD1.10 ANSWER

SCUSD website has been updated to view the slides.

AD1.11 QUESTIONS

Because we have not yet been able to access the conference materials, and the District's answers to written questions will not be posted until October 30, we respectfully request a one-week extension of the submission deadline, from Monday, November 9, 2026, to Monday, November 16, 2026, at 3:00 pm. This would give all bidders adequate time to incorporate the conference materials and the District's responses into their Statements of Qualifications. If you grant an extension, we would also appreciate it being posted on the District's website so all bidders are informed.

AD1.11 ANSWER

We will extend the submission deadline to **Monday, November 16, 2026, at 3:00 PM**, to allow all bidders additional time to prepare their Statements of Qualifications.

The updated deadline will also be posted on the District's website to ensure all interested bidders are informed.

AD1.12 QUESTIONS

We're interested in expanding our partnership with the district to provide arts enrichment opportunities through its Expanded Learning Programs. After reviewing the RFQ, we wanted to clarify whether this opportunity is intended specifically for organizations operating and managing full Expanded Learning Program sites, or whether organizations offering specialized enrichment services or clubs are also eligible to apply.

AD1.12 ANSWER

This RFQ is intended specifically for organizations that operate and manage full Expanded Learning Program sites. It is not intended for organizations that provide only specialized enrichment services or clubs.

AD1.13 QUESTIONS

If this RFQ is intended for full-site operators, is there a separate qualification or contracting process for organizations interested in providing arts enrichment within existing Expanded Learning Programs?

AD1.13 ANSWER

Supplemental programming has a separate application process and application link. The application period typically runs from November through February for the following school year.

The application process for supplemental providers for the 2026–27 school year is now closed. The application link for the next school year is not yet ready to be posted. Please contact YouthDevelopment@scusd.edu in December for information about when the link will be available.

AD1.14 QUESTIONS

We also understand that attendance at the October 15 bidder's conference was required. Unfortunately, we did not attend. If this RFQ is applicable to specialized enrichment providers, would we still be eligible to submit a Statement of Qualifications?

We appreciate your guidance and look forward to exploring opportunities to expand performing arts education for SCUSD students.

AD1.14 ANSWER

See answer AD1.01

AD1.15 QUESTIONS

Our program offerings have expanded since our original submission, so we wanted to ask: should current qualified providers submit a new Statement of Qualifications for this cycle, or is there a way to update our existing qualification?

AD1.15 ANSWER

If your organization attended the Bidder's Conference and is applying for the RFQ for the first time to become a main provider, we encourage you to submit a Statement of Qualifications.

However, if your organization is already on the District's current **Main Provider List**, you do not need to submit a new application for this RFQ cycle.
