ATHLETE OF THE WEEK

Cross Country nominates Xavier Turley for AOTW: Xavier is a freshman and running cross country in his first season. Besides being young and new to the sport, he has been getting faster every week and has shown that he still has a lot of potential to get faster. At Saturday's sub-district league championships, Xavier improved 1:46 on the course and set a personal record which moved him up to the varsity top seven, which means he will be able to compete in the district championships on Saturday.
