BID NO.:	**RFP #27-003**
CONTACT:	Mikkiala Peele, Contracts Analyst for CUSD

INTENT

The clarification listed in this addendum shall be considered part of the RFP document for the referenced project.

Bidders – Clarification for Subcontractor Prequalification Requirements:

The District did not intend to establish a separate prequalification process for first-tier subcontractors under this RFP.

The prequalification requirement applies to prime contractors holding a General Building (Class B) License.

Prequalified General Contractors may satisfy the project's technical requirements either by self-performing the work or by utilizing a first-tier subcontractor. If a General Contractor relies on a subcontractor to meet the technical criteria, the subcontractor must be specifically named in the bid proposal, and the submission must include the following mandatory documentation:

Required Technical Credentials (Must be active and verifiable at time of Bid):

1. All applicable state or local contracting and technical licenses.
2. Valid manufacturer certification & Experience for the Honeywell Gamewell-FCI E3 Series fire alarm system (per Prequalification Questionnaire).
3. Valid manufacturer certification & Experience for the Atlas IED GlobalCom Mass Notification system (per Prequalification Questionnaire).

Failure to include valid, active documentation for all three items at the time of bid submission will result in the entire bid being deemed non-responsive.

Bidders are required to include this addendum, along with any other issued addenda(s), in their submission packet to acknowledge receipt and understanding of the information provided.

Failure to include all addenda(s) may result in the bid being deemed non-responsive.

Acknowledgment: I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans, and/or specifications, etc.
