

Loos Center for the Arts - Independent Contractor Posting Audio Engineer / A1 (Per Diem)

Job Summary:

We are looking for additional experienced live sound engineers to mix and support events on a per diem basis at The Loos. You will serve as an A1 for concerts, school productions, and rentals, support visiting engineers, and work with student and professional stagehands during setup and strike.

General Duties & Responsibilities:

- Set up, operate, and strike the house audio system for assigned events;
- Mix front of house as the event requires;
- Support touring and visiting engineers with patching, system tuning, and venue-specific questions;
- Manage wireless microphone systems and RF coordination;
- Direct student and professional stagehands assisting with audio; and
- Report equipment issues and follow venue safety procedures.

Qualifications:

- Demonstrated live sound experience in theater, concert, or similar venues;
 - Working knowledge of Yamaha digital consoles (CL and DM series), Shure wireless, and d&b systems;
 - Working knowledge of Dante digital audio networking;
 - Able to work independently and troubleshoot under pressure;
 - Patient and clear when teaching and directing student crew members;
 - Must be able to lift 75 lbs; and
 - Must pass a background check.
-
- Nice to have: QLab or other show control experience;
 - Experience mixing musicals or school productions is a plus.

Terms of Engagement:

\$500 per day, covering up to 12 hours, including up to two 30-minute breaks for lunch and dinner

Rehearsal calls: 5-hour minimum (\$250). Performance calls: 6-hour minimum (\$300). \$50 per hour beyond the minimum, up to the \$500 day rate.

Typically also serves as production manager for the event, for an additional \$100 stipend per event.

Per diem, scheduled by event, mostly evenings and weekends during the academic year. Paid as a 1099 independent contractor, not an employee. No benefits are provided.

Reports to:

Executive Director or their designee
