IMPORTANT: Requests will be considered based on local board policies. The District of Residence will forward the approved request to the District Requested. The District Requested will mail the parent/guardian the approved form. Contact local district for additional language assistance. All applications must include a copy of the most current transcript/report card. Requests will be considered based on local board policies.

PARENTS RIGHTS AND DUTIES

As a parent or legal guardian, you have the right to:

- Request an interdistrict attendance agreement from your district of residence. If one or both parents or legal guardians are employed within the boundaries of a school district that is not their district of residence, they may be eligible for residency with the district in which their place of employment is located, pursuant to the "Allen Bill," at Education Code section 48204(b). This form should not be used to meet residency requirements under the Allen Bill. Additionally, this form should not be used for enrollment into a charter school.
- Receive a written copy of local school board policy relating to interdistrict attendance agreement requests from both the district of residence and the district you desire to attend. These policies stipulate the school boards' policies with regard to granting, denying, and revoking interdistrict attendance permits.
- Receive a written copy of the Districts' Attendance Agreement, if any, which stipulates the written agreement between the districts with regard to interdistrict attendance permits.
- Discuss your situation with your local district superintendent or appointed designee.
- If applicable, appeal an adverse decision to the school board denying the permit request, pursuant to that school board's policies, and receive written notice of local board action within a period of time specified by the board policy.
- Appeal a school district's decision regarding a request for interdistrict transfer to the Sonoma County Board of Education. Such an appeal must be filed within 30 calendar days of the date of the school district's final denial. Please refer to governing board policy for further information.
- Students with disabilities may not be discriminated against in the interdistrict transfer process. Information collected related to a student's disability should be used only to determine capacity in special education programs and/or if a school district would need to create a new program to serve a student.

You are encouraged to review the relevant school districts' governing board policies for further information and any additional rights.

TERMS AND CONDITIONS

- This Interdistrict Attendance Permit is valid only for the school year/s granted. This Permit expires at the end of the duration granted by both districts, and must be renewed prior to its expiration. A district may not require renewal for a student entering grades 11 and 12.
- This Permit may be revoked at any time by the district of attendance pursuant to their policies and regulations.
- If the student participates in any athletic program governed by the California Interscholastic Federation (CIF), he/she may not be eligible to participate at the new school. Parent/guardian should check the CIF rules before submitting this agreement.
- The parent/guardian is responsible for providing transportation to and from the school of attendance.

<p>Each school district in Sonoma County has a local policy and criteria for accepting or denying requests for interdistrict attendance permits, which may or may not include the reasons listed on the previous page. After reviewing the policies of your district of residence and the district of desired attendance, fully complete the interdistrict attendance permit.</p>
