COLLINGWOOD SCHOOL

Junior School Trips & Experiences
2026/2027 Calendar

Students at Wentworth in Grades 6 and 7 have the opportunity to participate in a variety of experiences that take them out of the classroom, and in some cases, out of town. These learning experiences include ExL Week in February when all students will take a break from the classroom to be fully immersed in a program of their choosing. Families planning to apply for an ExL experience may find it helpful to also consider the other travel opportunities available to students during the year. These trips have applications, try-outs or auditions and therefore acceptance is not guaranteed. Gold and CAIS teams are typically composed of Grade 7 students with some Grade 6 students. If accepted on the team, travel on these trips is required.

The trips and experiences below are only applicable to the 2026/2027 school year and may not be offered again in other years. ***The cost listed is only an approximation and final estimates may vary.***

Important Information Regarding Travel, Costs, and Financial Support

This Trips & Tours document attempts to preview upcoming travel opportunities and estimated costs to help families plan ahead. As a reminder, tuition covers day field trips associated with a course, as well as mandatory overnight trips that are required for all students (such as the annual Grade 4–7 camps at Wentworth and Camp Summit trips at Morven). Optional overnight trips—including international, H-block, out-of-province, and athletics travel—incur separate fees not covered by tuition.

To ensure financial barriers never prevent a student from participating or competing in school programs, financial assistance may be available to cover a portion of trip costs. Because requests require processing time, we encourage families to reach out to Nita Pickering, Director of Enrolment and Financial Assistance, as early as possible to initiate the confidential application process—even if your family does not currently receive financial assistance for tuition.

Importantly, all expenses for teams attending Provincial Athletic Championships are fully covered by Collingwood School.

Please note that precise long-term forecasting for every experience is impossible, as exciting new learning opportunities across academics, leadership, arts, and athletics emerge throughout the school year.
