Central Middle School Campus Connections

November 2026

About the Central Middle School Campus Project

The new Central Middle School (CMS) project is a two-phase 21-acre campus project. The new school building was constructed in phase one, with the building now open to students and staff. This is the *seventeenth* construction project bulletin. It serves as a high-level update on the developments happening at the CMS construction site into phase two.

As a reminder, the project is an active construction site and public access is limited outside of school hours.

- Under Greenwich's noise ordinance, Turner Construction may work past 6 PM, by monitoring and complying with residential decibel limits at property lines.

October Look Back

- Completed fire pump house placement and fitout.
- Continued Phase 2 parent drop-off fitout.
- Completed demolition of the former middle school building.
- Started and continued subgrade preparation for the new athletic fields.

November Look-Ahead

- Continue fitout of the new fire pump house.
- Continue completion of the parent drop-off loop.
- Continue grade preparation for the new athletic fields, Phase 2.
- Continue landscape plantings throughout the site.

Site Contractor performing Subgrade Prep for new Athletic Fields

Phase 2 - Final touches on Phase 2 Parking Lot Area and Parent Loop Drop Off

If you have a safety concern, please contact the Turner Construction personnel
Joseph Phelan, Project Manager (203) 410-0874 <jphelan@tcco.com>
or Chris Chila, Project Superintendent (860) 634-7216 <cchila@tcco.com>
