Principal's Message

MJMS Students, Staff and Parents

Last Friday, students met in their grade-level CAVES (Focus Time) groups as teachers and assistant principals took time to celebrate the many accomplishments of our students during the first nine weeks. Recognitions included attendance, academic achievement, academic growth, positive behavior, leadership, and other areas of success.

One of the best parts of the celebration was watching students cheer on and support their classmates as their accomplishments were recognized. Moments like these help strengthen our school culture and highlight the many positive things happening at MJMS each day.

We look forward to continuing these celebrations throughout the year and will share an end-of-year slideshow showcasing the many accomplishments of our students both during and beyond the school day. We are proud of their hard work and excited to celebrate their continued success.
