Title: Creating a Position
Section: Personnel – Professional Staff

Teaching positions and positions for other will be established by the Joint Committee in order to provide programs of education and other supporting services, consistent with the needs and resources of the community.

In the exercise of its authority to create new positions,the Joint Committee shall give primary consideration to the number of students enrolled, the special needs of students, the operational needs of the school and industry, and the financial resources of the district.

EASTERN shall employ and retain the best qualified teachers and other personnel. This shall be accomplished through careful consideration of qualifications, insistence on merit selection, provision of competitive salary schedules, and other forward-looking personnel policies in compliance with the EASTERN’s Equality of Opportunity in Employment Policy.
