### Did you know?

The full moon on November 24, 2026, is traditionally called the Beaver Moon. In 2026, this will be the second of three "supermoons," appearing larger and brighter than usual.

November is a time to reflect on the many things we are grateful for, and our NDS Family is especially thankful for our amazing students, supportive families, dedicated staff, and wonderful school communities. Every meal we serve is prepared with care, intention, and a whole lot of love! ♥

From our NDS kitchens to your family, we wish you a wonderful November filled with gratitude, kindness, and meaningful moments together!

**Made with Love,  
Served with Gratitude.**

### Reminders:

Milk substitutions are available daily to district students who have a current, completed Allergy Form on file with their school nurse. Please remember that the Allergy Form must be updated each school year.

Menu items containing pork are highlighted in yellow.
