MGHS Student Announcements Thursday, October 29th, 2026

GENERAL: A representative from the Aveda Institute will be in the commons today during late lunch. Please see Ms. Boyde in Student Services if you have early lunch and need a pass to attend.

Attention AV Club members! We will be having our annual Halloween party today right after school! Please come enjoy some pizza and snacks! We will also be watching the Nightmare Before Christmas! Hope to see you there!

Thank you to those students who have stopped by the library to vote on the issues that are the most important to you. So far, the top issue for MGHS students is the environment, with the economy/cost of living and AI development/regulation tied for second place. Stop by the library to make your voice heard and cast your vote! If you are 18 years old and have questions on how to register to vote or want to see what is on your ballot, we can help with that in the library!

Attention students. If you're 18 or will be turning 18 soon and you're looking for information on registering to vote, please visit the commons during both lunches today for assistance. MG Coalition is working with the UW-Madison's Wisconsin Youth Voters to make sure those looking to vote are registered for upcoming elections. There will be an informational table set up near the auditorium. Staff are also welcome to stop by!

GSA will be meeting today, after school in Room 215. All are welcome to attend! Stop by for some information on upcoming events, fundraiser planning, and games. We hope to see you there!

Missed out on a sweet treat yesterday? There's still time! FCCLA's bake sale is happening again today after school in the commons. Stop by for a delicious treat, support FCCLA, and remember - we accept cards!

Model UN members: don't forget to come to the printing party after school in Mr. Wallace's room. We will head over afterwards around 4:30 to North Shore Pizza for food/drinks/games!

BSU is meeting tomorrow at 7:45 am in room 211, Mr. Gudgel's room. All students are welcome. We hope to see you there.

Attention future drivers. If you are at least 15 years old, interested in getting your learners permit, but know the cost of a driver's education class might prevent you from meeting this goal, the Monona Grove High School and Dane County Driver's Education Scholarship might be for you. You can apply for one of the four scholarships by contacting Ms. Barnes-Patrick or Ms. Boyde in student services and they will send you the link to the google doc to apply. Act quickly as applications are due 11/1/26.

Attention AP students: AP exam deposits are due by **Monday, November 3rd**. If you do not plan to take the exam for an AP course you are currently in, you **must** email AP Coordinator Kristen Calvin (kristen.calvin@mgschools.net) to opt out. Please make sure to complete your payment or email notification by the deadline!

SPORTS: Boys Soccer has a 7:00 WIAA Sectional Semifinal game tonight at Sauk Prairie.

In the other semifinal, Cal Goodnough's #2 seed "Cuzzo Co." squares off against Zander Vosberg's #3 seed "One Hit Wonders".
