What is Title 1?

Unidos Dual Language School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA) of 2015. Title I is designed to support state and local school reform efforts tied to challenging academic standards to improve teaching and learning for students. Title I programs include strategies to support parental involvement. All Title I schools must jointly develop a written Parent and Family Engagement Plan.

What is the Parent & Family Engagement Plan?

This is a plan that describes how Unidos Dual Language School will provide opportunities to improve parent engagement to support student learning. Unidos Dual Language School values parental contributions and involvement to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways Unidos Dual Language School will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

Where is it available?

The plan will be posted on the school website: **https://198.clayton.k12.ga.us/**
Parents can retrieve a copy of the plan in the Parent and Family Resource Center (Modular 20) and the Virtual Parent and Family Resource Center (Google Docs Folder). The plan will be distributed to all students in their school folder, placed in the Parent Resource Center, placed in the foyer of the school, and on the school bulletin board.

How is it revised?

Unidos Dual Language School invites all parents to attend meetings to review and revise this parental involvement policy, as well as the school-wide plan, our school-parent compact, and the parental involvement budget. Parent input and comments regarding this plan are welcome throughout the school year through an online form. The plan is posted on our school website for parents to view and submit feedback. We also distribute an annual survey online (and paper-pencil) asking parents for suggestions on the school-wide plan and the use of funds for parental involvement. Parents can provide feedback during several meetings and activities held throughout the school year.

Who is it for?

All students participating in the Title I, Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. Unidos Dual Language School will provide ample opportunities for participation, including for parents of English Language Learners, students with disabilities, migrant students, etc.

School-Parent Compact

As part of this plan, Unidos Dual Language School and our families will develop a school-parent compact. The compact is an agreement that outlines how parents, teachers, and students will work together to ensure all students reach grade-level standards. These compacts are reviewed and updated annually based on feedback from parents, students, and teachers during meetings.

District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

- To improve proficiency across all tested subjects by 8 percentage points
- Meet survey participation requirements and maintain at least a 3-Star Climate Rating
