★ NAEYC Accreditation

NAEYC is the National Association for the Education of Young Children. The NAEYC accreditation process examines all aspects of a program – especially the quality of interactions between teachers and children and the nature of the child's experience.

◆ Early Start CT

The Office of Early Childhood (OEC) funds early care and education programs across the state through Early Start CT. The funds support child care programs and public schools to provide affordable, high-quality early care and education services. Tuition is on a sliding fee scale.

● Head Start Programs

Head Start is a Federal program that promotes the school readiness of children from birth to age five by enhancing their cognitive, social and emotional development. These programs help build relationships with families that support family well-being and many other important areas. The program is provided at no cost to qualifying families.

Things To Consider When Choosing a Preschool for Your Child

Is it close to home or work?
Do you need half day or a full day?
Do you need 2-3 days a week or full time?
Is the preschool clean and safe?
Is there an outdoor play area?
Are there different activity areas in the classroom?
Are there lots of materials and books?
Is there student work on the walls?
What early childhood credentials do the staff have?
Is the atmosphere friendly and fun?
Are parents welcome to visit and observe their child?

★ Acreditación de NAEYC

NAEYC es la Asociación Nacional para la Educación de Niños Jóvenes. El proceso de la acreditación de NAEYC examina todos los aspectos de un programa – incluyendo salud y seguridad, las credenciales del profesor, y administración y especialmente la calidad de interacciones entre los profesores y los niños y la clase de experiencia del niño.

◆ Early Start CT

La Oficina de la Primera Infancia (OEC) financia programas de cuidado y educación temprana en todo el estado a través de Early Start CT. Los fondos apoyan programas de cuidado infantil y escuelas públicas para brindar servicios de cuidado y educación temprana asequibles y de alta calidad. La matrícula se basa en una escala móvil de tarifas.

● Programas Head Start

Head Start es un programa federal que promueve la preparación escolar de los niños desde el nacimiento hasta la edad de cinco años, de familias de bajos ingresos, mejorando su desarrollo cognitivo, social y emocional. Los programas de Head Start proporcionan un ambiente de aprendizaje que apoya el crecimiento de los niños en muchas áreas tales como el lenguaje, la alfabetización y el desarrollo social y emocional. Head Start enfatiza el papel de los padres como los primeros y más importantes maestros de su hijos. Estos programas ayudan a establecer relaciones con familias y apoyan el bienestar de la familia y muchas otras areas importantes. El programa se ofrece sin costo alguno para familias que califiquen.
