WHAT IS A TITLE 1 SCHOOL?

Being a Title 1 school means receiving federal funds to supplement the school's existing programs. These funds are used to:

- Identify students with academic difficulties
- Provide timely assistance to help meet student needs
- Purchase supplemental materials, supplies, programs, and staff
- Conduct parent activities and workshops
- Recruit, hire, and retain Highly Qualified Teachers

The qualifications are based on the percentage of economically disadvantaged families that are being served free and reduced lunch

Unidos 2025-2026 Total Allocation: $194,700

WHAT IS THE 1% FAMILY ENGAGEMENT BUDGET?

Any Local Education Agency (LEA) with a Title 1 Allocation exceeding $500,000 is required by law to reserve 1% of its Title 1 allocation for parental involvement

Of that 1%, 5% may be reserved at the LEA for system-wide initiatives related to parental involvement. The remaining 95% must be allocated to all Title 1 Schools in the LEA

Therefore, each Title 1 school receives its portion of the 95% to implement school-level parental involvement

(CONT’D...)

Title 1 funds are utilized to purchase academic, supplemental materials that reinforce instructional skills, which lead to improved student achievement.

Purchases include, but are not limited to, technology for the resource center, supplemental resources to assist parents in supporting their child’s education at home.
