Take Care of Ourselves · Take Care of Each Other · Take Care of Our School · *Take Care of Our World*

	All Settings	Classroom	Commons & Cafeteria	Lighthouse, Media Center, Math Lab, Writing Lab, Hallways & Stairs	Restrooms	Athletic Events	Bus, Arrival/Departure & Parking Lot	Technology
Explorers Take Care of Ourselves	We take responsibility for our well-being, choices, and growth. We advocate for what we need. We model the *Portrait of an Explorer* ideals.	We arrive prepared and ready to learn. We manage our time and responsibilities.	We make choices that support our well-being. We share spaces responsibly and respectfully. We enjoy food and drink in designated areas.	We move with awareness of our surroundings. We navigate shared spaces safely.	We use restroom facilities appropriately and maintain personal hygiene.	We make choices that support a positive experience for ourselves and others. We manage our emotions and demonstrate self-control.	We drive safely, following school and traffic laws. We remain seated while the bus is moving and follow all safety procedures.	We are mindful of what we post online, to create a positive digital footprint. We use Chromebooks and our school Google account for educational purposes only.
Explorers Take Care of Each Other	We contribute to a community where everyone feels respected, valued, and included. We consider how our words and actions affect others.	We collaborate respectfully and value different perspectives. We support a learning environment where everyone can participate.	We respect others' space, belongings, and conversations. We include others and contribute to a welcoming environment.	We respect personal space and move with awareness of others. We interact with others respectfully.	We respect privacy, personal space, and shared facilities. We leave the space ready for the next person.	We support our teams with pride. We demonstrate positive sportsmanship toward athletes, officials, opponents, and fellow spectators.	We respect pedestrians, cyclists, passengers, and other drivers. We ride responsibly and respect others' time and space.	We use technology to connect and contribute positively. We respect others' privacy and digital boundaries.
Explorers Take Care of Our School	We contribute to a focused learning environment. We take pride in our school and leave spaces better than we found them. We act with integrity and take responsibility for our choices.	We contribute to a focused and productive learning environment . We treat people, materials, and learning spaces with care.	We clean up after ourselves and leave shared spaces ready for others. We care for school property and shared resources.	We keep shared spaces clean and accessible. We respect school property and the spaces we share.	We care for shared facilities and leave them ready for others. We report concerns that affect safety or the condition of the space.	We represent Hudson High School with pride and integrity.	We care for school grounds, vehicles, and shared spaces.	We care for school-issued technology and digital resources. We use school technology responsibly and protect our digital learning environment. We follow our cellphone policy
