Greek Day Nov 13

Students will design and decorate their costume in class. Girls should wear leggings or non-denim pants underneath. Boys can wear athletic shorts, school shorts, or pants. Shorts must be longer than the t-shirt costume. Optional additions include Greek-style hair, sandals, and a belt. No makeup is allowed.

EarthWeeks Science Project

Every Monday for the next 7 weeks in Science, we will track Earth's geologic changes using a web-based newspaper called Earthweeks. If your student is absent on a Monday or does not finish reading the article in class, they should finish it during recess OR access it at home on this website: Earthweeks.com. The project is due on December 15.

Rotations Tests

For all History and Science assessments, notebooks and study guides will be collected on the day of the test.

Any missing Math homework must be turned in by the day before the test.

Cold Weather Makes Cold Classrooms

Our classrooms are on the northwest side of the building and tend to be cooler than other rooms. If your child chooses to wear a sweater, it must meet the following guidelines:

Only long-sleeved sweaters **without hoods** may be worn as part of the regular uniform. Sweater colors are the same as shirt colors and should be plain with no embellishments. Sleeveless sweater vests may be worn over appropriate uniform tops.

The only approved jacket is the fleece zip-up with the embroidered TCA logo. Sweatshirts must also have the embroidered logo.
