APPLICATION & INTERVIEW TIPS:

- Bring a resume with you.
- Some jobs require a food handler's permit. Get your permit online for just $10!
- If the business does not have any current postings, check back often as they hire regularly throughout the year.
- If applying to Fred Meyer here is a tip: After submitting your on-line application be sure to stop by the Courtesy Desk each week to "Check on the status of my application." That is how the hiring manager determines who to call in for an interview.
- When completing on-line applications be sure to use a computer/laptop and not your phone. Applications done on phones do not always upload.
