Dear Parents and Guardians,

You may hear about an incident that occurred outside Ewing High School following last weekend's Homecoming football game. We want to acknowledge the incident and reassure our families that student safety remains a top priority.

According to information shared in coordination with the Ewing Police Department, the altercation involved two teenage females who are not Ewing students and occurred outside the event. The incident did not involve violence inside the event.

The district maintains multiple safety measures at school events, including security personnel, attendee screening procedures, and police support for crowd management. We also work closely with the Ewing Police Department to review concerns and continually evaluate our safety protocols.

As a parent and superintendent, I am deeply troubled by the violence in our society. While we cannot anticipate or prevent every incident, we remain committed to taking proactive steps to help ensure the safety of our students and community.

Thank you for your continued partnership, trust, and support.

Sincerely,

David Gentile
